

Jayu is the only girl who is very naughty in the Class. Whenever she gets time in between the class, she does silly pranks. When everyone complains, then she starts laughing and gives excuses.

At times she also says that she didn't do anything. She likes to trouble others. For instance, when the teacher is not present in the class and they have to note down Home Work from the Blackboard. She quickly notes it and then she stands up in front of the board and says, "Now, I will rub this"!!

ENGLISH LANGUAGE

Over the past few months, Jayu has taken a keen interest towards the language. She can read and spell decently well. She retains new words that she encounters. Can write complete sentences and is now learning to write complete passages/stories, with proper grammar usage and ideation. Has a sharp ear in catching the sounds.

PROJECTS

Her chosen topic was Circulatory System and Tongue. She is a very cheerful child and she does her work with confidence. She

understood her topic related diagrams nicely. She was keen to know about the huge mouth of a shark. She presented to the little children how a shark swims with its mouth open.

MATH

She is doing well in Math. She does her work properly without giving any trouble to the teacher. She is also an intelligent child. She understands well. She is going to complete Book IV.

HINDI LANGUAGE

Her letters are beautifully made. She understands well and does work with her focus and attention. She has a problem in speaking hindi letter 'ksha' and also in writing it. She takes time to write the letter.

COMPUTERS

Jayu has improved in typing. She has completed 2 Chapters. She likes to draw in Paint

ODIA LANGUAGE

Jayu is trying to learn Odia as much as possible. She can read and write a little with help of others. Her observation ability should be strong and deep. We will give individual attention for better study.

SPORTS

Jayu plays together with her friends in the group. She likes to play in team and has progressed much more than before. She plays football well and also she enjoys Physical Exercises. She has developed her stamina. She can dribble and guard well while playing basketball.
