BABLU GUNTHA

DOB- 2nd May'16

Attendance- 158 out 183 days

Report for 2023-24 (First Term)

INTRODUCTION

Bablu likes being in the school because he has got many friends in the school. Now he has started taking holidays rarely if he is unwell. He loves playing with his friends. His best friend is Pushkar.

Hostel Accommodation: When he was going home and coming then he was irregular in coming to school so he was kept in the hostel. Now he is liking it in the hostel and taking holidays has become less.

Hygiene: He cleans his own clothes if he can and takes home those which are very hard to clean when he goes home once in a week. Very often he oils himself properly and by wearing clean clothes and comes to the group.

Self-Sufficiency: His favourite vegetable is paneer. He loves the eating food whatever is served in the kitchen. He enjoys his breakfast and curd during the lunch time. He also eats the vegetables served during the meals.

Morning Ritual: Before the class he sits properly with his eyes closed and says few of the chants taught in the class with his friends. Then he sings and recites the poems and songs he learnt. Every day in the evening he joins for the evening prayer session.

ACADEMICS

English

Bablu should work on speaking English during class, although he enjoys chatting with friends during free periods. He quickly makes friends in the classroom and appreciates listening to stories with his peers. After story sessions, he partakes in plays and has performed in "Because a Little Bug Went Kachu" and "The Enormous Turnip," taking on roles like a coconut and a hen. He also sang "One Proud Peacock" at the end of a play. Bablu has memorized five paragraphs of the poem "Who" by Sri Aurobindo and performed it. For Ganesh Chaturthi, he played the role of a God in the play "Ganesh and the Moon."

Hindi

Bablu enjoys listening to stories from the teacher. He participates actively and

attempts to answer questions, even if the answers aren't always correct. Some days he creates drawings and shares stories with his friends, showcasing his creativity. Bablu has learned some new songs and sings with ease, quickly memorizing the lyrics. While he has learned the alphabet, recognizing certain letters can be challenging. His pronunciation of consonants, such as (ka, kha, ga, gha, cha, chha), can sometimes be difficult, but with practice, he is improving.

Maths

- Bablu can skip count by 2, 3, 4, and 5.
- He has progressed to skip counting without the aid of Ganit Mala.
- Bablu is proficient in addition and subtraction with word problems.
- He can perform one-digit subtraction from rounding numbers.
- Bablu can recognize shapes like rectangles, squares, triangles, circles, and semicircles.
- He's developing number recognition skills and is learning to write numbers.

Projects

Animals

In the Animals topic, Bablu acquired knowledge about various aspects of animals, such as their names, habitats, offspring, physical characteristics, diet, and their role in assisting humans. He also demonstrated his artistic abilities by creating animal drawings. While initially finding it confusing to differentiate between domestic and wild animals, he gradually

understood the distinction and presented information about animals in the assembly.

Festivals

For the Festival topic, Bablu learned about a variety of festivals, including those celebrated in his village and at school. He was introduced to national festivals and enjoyed listening to festival stories and watching videos. Bablu also exhibited knowledge about the names of gods and goddesses associated with these festivals and the reasons behind celebrating them.

National Symbols of India

In the National Symbols segment, Bablu delved into the national symbols of India and learned about

significant figures like Mahatma Gandhi and Jawaharlal Nehru. He created drawings of the national flower, bird, tree, and flag and gained an understanding of why these symbols were chosen. Additionally, he learned patriotic songs such as the "National Anthem" and "I salute my Flag."

Transportation

In the Transportation topic, Bablu learned about various types of vehicles, the invention of the wheel, and different modes of transport. Although he initially found it challenging to differentiate between various modes of transport, he eventually comprehended the distinctions. Bablu also acquired knowledge about vehicle components, storage locations, and the roles of drivers. He also learned about road signals and enjoyed making toy cars from cardboard.

CO-CURRICULAR ACTIVITIES

Arts and Crafts

Bablu takes pleasure in creating drawings of villages, towns, and nature in art class. He excels in colouring his drawings and crafting art pieces. His preference for painting and paper folding is evident, although he sometimes needs assistance with paper folding.

Dance

Bablu prefers Zumba dancing and has less interest in other dance styles. His inclination to dance is mood-dependent; he

dances when he feels like it but remains stationary and watches his friends when he doesn't. He is also shy about dancing. For Independence Day, he performed "*Desh Rangila*" and enjoyed the experience. Although he had some difficulty learning the steps, he gave his best performance. He also danced to "Twinkle Twinkle Little Star" for Ganesh Chaturthi.

Puzzles

Bablu takes great pleasure in solving puzzles, particularly those featuring Superman. He enjoys working on 100 and 200 piece puzzles with friends and does so without causing disturbances.

Drama and singing

Bablu likes to sing all the songs. He likes the "Imagine" song the most. He learnt this song very fast. He felt a bit of difficulty in the "*Jahan Daal Daal Par*" song,

but after repeating, he got the lines. He was not able to catch the lines of the "Who" poem, but gradually after repeating many times, he got the lines. He could get the lines of the Krishna poem fast and also performed on it. He likes to dance. He likes the "Freeze Dance" the most.

GAMES AND SPORTS

Bablu's favorite game is football, and he enjoys playing it, he also plays other games like rani kabaddi, chain game, ice water and many other minor games. He is always present for games, and enjoys doing running and exercises. While playing football he he is very energetic in the game and plays without stopping.

SHRAMDAN

He starts his shramdan at six thirty in the morning and goes for doing chunai. In chunai he separates the dirt from the clean ones and keeps it in a different place. He does it patiently.

CELEBRATION AND FESTIVALS
