

Prerna Jani

DOB-05-Mar-2011

Attendance-171 days out of 182 days

Report for 2024-25 (Second term)

Introduction

My name is Prerna Jani. I am 13 years old. I like to play basketball, and my hobby is playing games. I study at Auro Mira Vidya Mandir, and I enjoy studying here. I do not do shramdaan as I go to study maths with Srinath Bhaiya.

Yoga

I like doing yogasanas and am always present in yoga sessions. I reach on time for yoga. In

yoga, I practise many asanas such as Surya Namaskar, Butterfly Pose, Handstand, Dhanurasana, Padmasana, Chakrasana, and more. I enjoy doing yoga with Bhaiya, as he teaches me well.

Shramdaan

I participate in various shramdaan activities, including toilet cleaning, school cleaning, hostel cleaning, gardening, and kitchen duties. I enjoy doing different types of shramdaan.

Science

I enjoy science classes. I study chemistry, physics, and biology. I also work on some projects.

In chemistry, I am currently studying chemical bonding. I have completed the chapters on atoms and molecules, atomic structure, and chemical equations and reactions. Now, I have started the chapter on chemical bonding.

In physics, I have completed the chapters on work and energy, as well as sources of energy.

English

I like attending English class. In English, I have completed the first and second books of NIOS. Now, I am revising for my test with Didi. I also study grammar, including verbs, adverbs, regular and irregular verbs, etc.

In English class, I enjoy reading books by Enid Blyton and writing. Sometimes, I do dictation, and I also learn some songs and bhajans. Occasionally, I do free reading with my Didi. The book I am currently reading is *The Magic Faraway Tree*. I am good at spellings and score well in my tests.

Hindi

I attend Hindi classes. I have completed the first book of NIOS, so I am now revising for my test. Most of the chapters were easy for me, except for two or three that were a bit difficult. I have started the second NIOS book.

I usually score well in tests. Whenever I face difficulties, I take help from my teachers. I ask my teachers questions to understand my doubts better.

Maths

I enjoy my maths class. I have completed the seventh book of R.S. Aggarwal and have now started the eighth book. Currently, I am studying the chapter on exponents. The eighth book is easy for me.

Sometimes, I score well in tests, while at other times, I do not. I always seek help from my Didis and Bhaiyas. The chapters I found difficult in the seventh book were mensuration and probability.

Social Science

In social science, I have completed the syllabus of the first NIOS book, and we have now started the second book. The chapter I am currently studying is *Governance at the State Level*.

I have completed history and geography and am now revising for my test. In civics, I have covered only three chapters and

still have 13 more to complete. History was easy for me, geography was a bit difficult, and civics is even more challenging.

Art

I enjoy attending art class. They teach me different types of art, such as doodling, aerial perspective, one-point perspective, and more. In art class, I also make hanging decorations and wall hangings. With my teachers, I have also made Christmas decorations.

I have learned about cool and warm colours. In art class, I do both drawing and painting. I work hard to improve my artistic skills, and I really enjoy art class.

Gardening

In gardening, I water the plants, and sometimes, I dig the soil. I also help remove weeds from the fields or garden. However, I don't enjoy gardening during the rainy season.

Odia

In Odia class, I was studying the 3rd-grade level. Sometimes, I enjoyed the class, and sometimes, I didn't. However, I have now stopped taking Odia classes and have started doing self-study instead.

Computer

In computer class, I practice typing using Typing Master. I have learnt how to create

documents on the computer. In class, I also do painting and learn how to design various patterns.

Dance

In dance class, I was able to learn steps quickly, but I didn't enjoy dancing much. I have now stopped attending dance class and have started doing self-study instead.

I performed a dance for Christmas and New Year. Before stopping, I was learning *murmuration* dance, which I liked.

Self-Study

I enjoy doing self-study. During self-study, I read books and complete my homework. I also revise for my tests. I help my friends, and they help me in return when needed. I also practise for my science projects.

Games

I love playing games with my friends. Before playing, I always do warm-up exercises and running. I enjoy playing basketball and volleyball the most. I also play football and many other fun games.

Celebrations

I love celebrating festivals. I performed a dance on Christmas and New Year. However, I have stage fear, so I feel nervous while performing in front of an audience. But whenever a festival approaches, I feel happy and excited.

On Sports Day, I participated in the *Dasa-Avatar* performance and

the *Saree Drill*. Everyone loved the *Dasa-Avatar* performance because I expressed it with emotions. I participated in the *Saree Drill*, and it was a wonderful and enjoyable experience. I enjoyed *Dasa-Avatar* the most and had a great time celebrating Sports Day.

On the Mother's Birthday, I participated in the morning march. In the evening, I attended the flag-down ceremony.

Trip Experience

I started my trip on the 25th of January. On the 26th of January, I travelled to Bhubaneswar, where I visited the **Lingaraj Temple**, the **Jagannath Temple**, and the famous **Khirchori Temple** of Odisha.

After that, I went to **Simlipal** for a thrilling **jeep ride**. Then, I visited **Bhitarkanika** to see crocodiles—I really enjoyed watching them! Later, I travelled to **Baleshwar**, where I visited **Panchalingeshwar Temple** and the **Jagannath Temple**. I especially liked **Panchalingeshwar Temple** because I got to touch the five sacred Shiva Lingams.

From there, I caught a train to **Gaya**. In Gaya, I visited **Arai village**, and then I went to **Nalanda University**, which I found very interesting. I asked many questions about its history. After that, I went to **Bodh Gaya**, where I saw **Dashrath Manjhi Road**. Harsh Bhaiya explained to us the inspiring story of **Dashrath Manjhi**, and I also visited his statue.

Next, I visited the **Mahabodhi Tree** and **Mahavir**

Temple. One of my favourite moments was

seeing the **80-foot-tall Buddha statue**. I also visited the **Jal Mandir**. Every time I went to **Bihar**, I took a bath in the **Brahmakund**. Then, I travelled to **Rajgir** for a **zoo safari** and **tiger safari**.

On the next day, I visited the **Sanchi Stupa**, where I enjoyed a **ropeway ride**. Then, I saw

the place where **Jarasandha** and **Bheem** fought. I also explored the **Archaeological Site and Museum** in **Sarnath**, visited a **Japanese Buddha Temple**, and saw the **Sarnath Stupa**.

Later, I went to **Rourkela**, where I visited the **Hanuman Temple**. The Hanuman statue

there was **75 feet tall**! I also visited two or three other places in Rourkela.

Finally, on the **7th of February**, I returned to **Kechla**. I really enjoyed the trip! Even though it was short, I got to visit many amazing places, and it was an unforgettable experience.
