## English

Sanju is a well-behaved and attentive student who consistently maintains good posture in the classroom. She focuses on listening and makes efforts to retell stories in both Hindi and English, showcasing her commitment to improving her language skills.

Participating in a play for the 21st February celebration, Sanju took on the role of a little plant. Although she did not have any dialogues in the play, she delivered a beautiful performance on stage.

In addition to her involvement in the play, Sanju has learned various rhymes in class, including "The Five Little Monkeys" and "Old MacDonald Had a Farm." Her engagement in

learning these rhymes highlights her enthusiasm for the curriculum and her willingness to participate in class activities.

## Arts and Crafts

Sanju actively participates in various art activities, enjoying paper folding and drawing with precision and patience. Her favourite colour is blue, reflecting her vibrant artwork.

## Games

Sanju isn't good at fast running but pays attention during exercises. Her favourite games are blindfold catching, ring-a-ring-a-roses, and ice and water. She needs improvement in stamina, jumping, and long jump.
