

# Santosh Jani

**Date of birth-14<sup>th</sup> Jan - 20**

**Annual report for 2023 -24 (Second term)**

## Introduction:

Santosh has been attending school since last year and thoroughly enjoys his time there. He strives to be punctual and maintains a neat appearance. Santosh eagerly engages in playtime with his friends upon arrival at school.

## Circle Time:

During circle time, Santosh sits attentively with his eyes closed, participating in chanting sessions. He has learned several

chants, including "Asotoma," "Sri Vakratunda Mahakaya," and "Andamayee." Additionally, he enjoys singing songs like "Row Row Boat," "Choti Choti Chidiya," and "Choti Si Munni," actively participating with actions while singing.

## Activities:

In activities, Santosh enjoys playing with dolls and blocks. He enthusiastically engages in scribbling and finger painting, completing his

tasks efficiently. Santosh demonstrates generosity by sharing his toys with other children.

### **English:**

During English class, Santosh listens attentively to stories and identifies objects in the pictures. He particularly enjoys pictures of animals, houses, and plants. Santosh actively learns new words such as "sun," "flower," "tree," and "bird."

### **Maths:**

In maths class, Santosh is learning counting up to twenty. He demonstrates interest and participation in counting activities, occasionally repeating after the teacher. Santosh enjoys arranging and designing drawings as part of his math exercises.

### **Programs:**

Santosh enjoys participating in school programs and recently performed the song "O Sweet Mother" on 21st February. While performing, he may experience nervousness and shyness, but he still enjoys watching dances and dramas performed by other children. Additionally, Santosh looks forward to enjoying sweets during programs.
