## Report for 2022-23 (first term)

My name is Pramod Krisani and I am 11 years old. I study in Auro-Mira Vidya Mandir.

### English

In English, we are currently doing the 5<sup>th</sup> class book, in which we are doing 3<sup>rd</sup> chapter. We started the book with these three chapters and we have read many stories. We are also doing the 5<sup>th</sup> class book of grammar, before which I was doing the 4<sup>th</sup> class book and I have learnt nouns, pronouns, verbs etc. I have also read the books "Afternoon's Books" and "Mouse in the Space".

### Hindi

In Hindi, I am doing the 6<sup>th</sup> class book. Before this book, I was doing the 5<sup>th</sup> book in which I learnt many stories. Now in the 6<sup>th</sup> book, we are doing

chapter-wise tests. When we complete studying the book, we will do the whole book test. In grammar, I am doing the 5<sup>th</sup> class book. I have learnt nouns, pronouns, verbs etc. In free reading, I read *Panchatantra* stories which has animal characters. On July 5<sup>th</sup>, we did a play in Hindi - in this play, I was a soldier. We did the play nicely.

### Odia

I like attending the Odia class. Till now I have learnt many words and I have also learnt many songs. But when we take dictation, I write a few words wrong. We do Odia class with Papaji.

### *Mathematics*

In Maths class, I am studying the 6<sup>th</sup> class book. From this book, I have learnt the number system, whole numbers, integers, simplification and many more things. I am currently doing the 9<sup>th</sup> chapter – ‘linear equations in one variable’, but I am finding it difficult. I ask Didi and Bhaiya whatever question I can’t do and what I don’t understand.

### *Science*

In Science class, I am doing the 7<sup>th</sup> class book. Before the current chapter, I was doing the ‘electricity’ chapter. I am also doing many experiments. I like the Science class because I love to do the experiments like electroscope, turbine circuit, etc. In this chapter on electricity, I obtained 22 out of 25 marks. After this, we did fourth and fifth chapters in the book - I liked these chapters and I am not facing difficulty in these chapters.

### *Social Science*

In Social Science class, we are doing the 7<sup>th</sup> class book. We have completed studying the History portion. We have learnt about the earlier kings and the structure of the early temples. In Geography, we have completed 12 chapters and only 3 more chapters are left. In these 12 chapters, we learnt about our planet and its’ organisms.

### *Computers*

In computer class, I do typing and I also like to do painting. I am slow in typing but even then, I like to do computer class.

### Art

I like to do art class also. In art class, I like to do drawing, colouring, and I like to do art and craft. I make many hanging materials in art class.

### Dance

In dance class, I learn many dances. We learn the steps and postures of the dances. Denis

Bhaiya taught us a dance and the dance's name was Dura. Now we are learning another dance from Suparna didi and Gauri didi. When somebody watches me dance, I feel shy and stop dancing but when nobody watches me, I dance freely.

### Music

In music, I learn *tabla* and I like to play the *tabla* but I cannot remember the *taals*.

### Yoga

I go to do yoga at 6 o'clock and do it till 6:30 AM and then I go to do *shramdaan*. In *yogaasana*, I do many postures like *Paschimauttanasana*, dog pose, moon pose, headstand every day. I am regular for Yoga. I like to do *chakrasana* and I like to do headstand.

### Games

When we go to play games, first we do exercises and do running every day. I like to do running and exercises. I play different games like football, basketball, base-kickball and volleyball with my team. I like to play sports.

### Shramdaan

I like to do *shramdaan*, in which I do many types of work like toilet cleaning, kitchen work, gardening, and hostel cleaning. The *shramdaan* I like the most are kitchen work and gardening, but sometimes I don't like to do those things. In gardening, I like to take out weeds and dig pits to grow trees. In school cleaning, I

sweep the classrooms and its surrounding areas and sometimes I do my group cleaning. In hostel cleaning, I do drain cleaning, mopping the dining hall and sweep the boy's hostel.

### *Trip to South India*

In between our studies, we went for a trip to the south of India for two weeks. When we went to Tamil Nadu, we saw many designs and things in the temples made by the early kings. In Pondicherry, we had lots of fun. There, we saw the Samadhi of Sri Aurobindo and The Mother. Then we went to Auroville and on the last day we went for shopping. After that, we came back to Kechla.
