

Pari Krisani

DOB-08-AUG-16

ANNUAL REPORTS FOR 2023-24 (SECOND TERM)

ANNUAL ATTENDANCE 314 DAYS OUT OF 366 DAYS

Introduction

activities like solving puzzles and drawing pictures. Despite facing challenges with memorization, her active participation and curiosity about animals were notable.

Flowers: In the flowers topic, Pari's genuine interest in learning was evident through her active involvement in group activities. Despite difficulties, she actively participated in the presentation and shared her insights in Hindi. Her reflection on learning from flowers about friendship and kindness highlighted her emotional connection with nature.

Pari is seven years old and is studying in Unity group. There are five members in her family- father, mother and two younger brothers. Pari is the eldest amongst her siblings. Her father is a farmer and her mother is a housewife. Two of the brothers are at home and are not going to school.

Project

Animals: Pari demonstrated an admirable attempt to learn about animals, engaging in

Clothes:

Pari is progressing nicely, and is showing constant improvement with maths skill. She recognizes numbers up to 1000 and can write them on a slate. She also can read the numbers up to 1000. She can do simple additions of two digits with two digits in writing. She also knows the steps of carrying over addition of two digits with 2 digits. Her calculations are more accurate in writing than orally. Sometimes she takes time to add the numbers with 7, 8, and 9. Now she is learning the short tricks of addition with 7, 8 and 9.

Pari has started concentrating in the class. She needs to concentrate in remembering and learning whatever is being taught. When she learnt how to put buttons she was a bit nervous so on the first day she was putting the buttons in the wrong place. But then she learnt it. She can fold the clothes very beautifully. Most of the times she is doing well and she gets more confidence in herself. She is very good at colouring anything, but she needs to bring neatness in her works.

Math

English

Pari has started working very hard in English. She is showing lots of enthusiasm in learning. When she started learning the alphabets she was very quick in learning the capital letters and she took some time in recognizing the small letters. But now she is expert in recognizing and arranging all the letters in its sequence. She took some time in learning the sounds but now she is very good at it. Now she has started reading the simple three letter words in English, but it is so surprising that

workspace. Although her drawings are already beautiful, putting more effort into colouring could enhance their beauty. In paper folding, she occasionally requires assistance from teachers, especially in origami.

Dance

Pari enjoys her dance classes and performs with precision. She executes each step carefully and dances with enthusiasm. She is versatile and is open to various dance styles. Prior to dancing, she ensures to do her joint exercises to prevent injuries.

Puzzle

Pari has interested in the class but sometimes she gets stuck with puzzles pieces. She has improved in solving puzzles. She puts in an effort in solving the hundred and two hundred pieces puzzles in groups of four or five.

she can read so well with the sounds. At first, she had a little confusion with e and u sounds. She listens to the story but doesn't answer the questions that are asked to her, as her vocabulary is not strong.

Hindi

Pari sits attentively during story sessions and tries her best to retell them when prompted. She quickly learns songs taught in class. While learning Hindi letters, she has encountered some confusion but has managed to learn all letters and a few words without diacritics.

Art

Pari's passion lies in drawing, and she shows full concentration and dedication while sketching. She takes her drawing seriously and expects others to respect her

Sense

Pari enjoys the activities in the senses class, particularly playing games like "leader-leader change the action" and "mirror walk." She engages in the tasks with enthusiasm and ensures her work is neat and tidy. Pari actively participates in various activities and shows interest in learning new things.

Games

Pari enjoys games with enthusiasm and punctuality, participating actively in exercises and games like Chain game and hoopla. She particularly excels in hoopla and enjoys running activities.
