

# Goutam Krishani

**DOB- 28<sup>th</sup> April'19**

**Attendance- 171 out of 183 days**

**Report for 2023-24 (First Term)**

## INTRODUCTION

Gautam is an adorable boy who eagerly attends school regularly and is consistently punctual. He enjoys playing with his friends at school and arrives neatly dressed.

## CHANTING AND SINGING

During circle time, Gautam sits properly and chants all the mantras and songs he has learned. When asked to sing, he can do so properly, although he faces

some challenges with pronunciation. He has learned numerous chants, including "Asotamo Sat Gamaya," "Sri Vakratunda Maha Kaya," "Om Anandmayee," "Om Bhur bhuvaha swaha," "Paramach Prabhu Satya," "Gurur Brahma," and many songs like "Tan Ho Sundar," "Red Is Amma's Bindi," "Aloo Bola Mujhko Khalo," "Found a Peanut," "Hai Bhagawan Tujhe Pranam," and more. Gautam sings the chants loudly and makes an effort to pronounce them clearly.

## PROJECTS

Gautam enjoys attending the project class and has excelled in learning about colours, vegetables, and fruits. He was initially confused about colours but now understands them properly. While he generally pays attention in class, he can sometimes get distracted by his friends.

## MATHEMATICS

Gautam can count up to 30 without assistance and sits properly during maths class. He can match objects, create various shapes with rangometry, and quickly identify numbers when prompted. He is capable of determining if an object is heavy or light, big or small, more or less, and tall or short.

## CELEBRATIONS AND FESTIVALS

Gautam actively participated in school programs, singing a song on Independence Day, although he experienced nervousness while on the stage. He also danced in the song "Maa Ka Kanhaiya" for Janmashtami and sang "Ek Do Teen Char Ganpati Ki Jai Jaikar" for Ganesh Chaturthi. He enjoys attending functions, watching performances by other groups, and indulging in sweets during festivals.
