Annual Attendance 362 days out of 366 days

Greetings to all,

I am Basant, and I'm both a student and a volunteer at Auro-Mira Vidya Mandir. Currently, I have completed my graduation in B. Com (Hons.) from IGNOU (Indira Gandhi National Open University). I'm excited to share my progress and experiences during the second term of this academic year.

Academic Pursuits

I am delighted to inform you that I have made significant progress in my studies. I have successfully cleared all the papers I appeared for in December. To support my academic journey, I took online classes in Entrepreneurship from Ms. Sharmila Datta of Delhi, and Indian Economy from Sandeep Saha of Kolkata. Additionally, I studied Accounting under the guidance of Pranjal Bhaiya.

Volunteering

In addition to my academic commitments, I actively engage in volunteering activities at my school. I am involved in helping younger students with their studies. Specifically, I teach mathematics to 6th-grade students in the Perseverance Group, class 4th-grade of the Receptivity Group and class 2nd-grade students of the Courage Group.

Celebrations

Our school is vibrant with celebrations, and the past six months have been no exception. We observed several festivals and events, including Pranjal Bhaiya's Birthday, Diwali, Christmas, New year, and our School's Annual Sports Day. This time I had helped the younger children in practicing skates for the sports day demonstration.

Sports

Sports have always been a passion of mine, and I am actively involved in various games, including football,

basketball, and volleyball. I give my best effort and continually work on improving my skills in these sports. Additionally, I have a special fondness for swimming.

I also make the Camp children do Rappelling who visit us every year in December and January.

Trip to North-East India

On the 24th of February we began our trip to North-East India. We caught the train from Koraput early in the morning and reached Kolkata the next morning. In Kolkata we visited Botanical Garden, The Indian Museum, and Victoria Memorial. From there we boarded the train for Guwahati.

We visited places like Kamakhya Temple, Gandhi Mandap, Digali Pukhuri, Balancing Rock, Root Bridge at Dawki. We also visited the Umangot

River which was the border of India and Bangladesh. The next day went to Shillong. Here we visited Cherapunji, Thankaranga Park, Maswami Cave, Nohkalikai Falls, and Seven Sister Falls.

Then we had a long bus ride of about 8 -9 hours and reached our destination Kaziranga and rested in a Resort. Early in the morning the next day we went to Kaziranga National Park.

There we did Elephant Safari. Wow! What fun it was sitting on the elephant and roaming around in the forest and greeting the wild animals there.

From Kaziranga we went to Tawang and visited the Bumla–La, the world's second Largest Monastery, Gaden Namgyal Lhatse. Our next visit was Gangtok, Sikkim where we stayed for two days.

In Sikkim also we visited a few Monasteries and Nathu-La and on the way back we visited the Babaji Temple. We had great fun on the return from Nathu-La playing in the snow and the Yak ride was wonderful. We also experienced a little bit of snowfall.

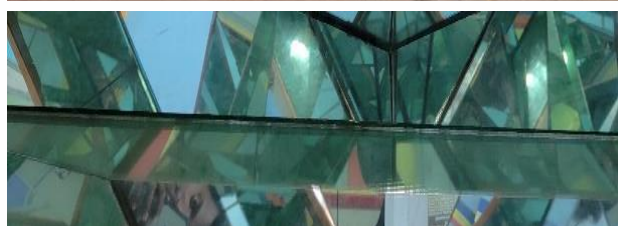

The next day we visited the tea garden and Siddheswar Dham.

After a few hours' drive from Sikkim to New Jalpaiguri railway station we boarded the train for Howrah. In Howrah, we visited the Kalighat Temple, Science City, Dakshineswar Temple by ferry and the Nicco Park.

This was one of the best amusements of the Trip. Here we did many exciting rides like Cyclone Ride, Water Slide, River Cave, Car Drive, Sky Diver Ride, Twist and Turn and Horse Ride.

I had a wonderful time in this Trip.

I am grateful for the diverse experiences and opportunities I've had throughout the journey of my Life in the school.

Balancing my academics, volunteering, celebrations, and sports has been both challenging and rewarding. I look forward to continuing my journey with enthusiasm and dedication in the future.

Thank you for your support and encouragement.
