

Akash bishoi

DOB-08-Jan-2017

Attendance-161 days out of 182 days

Report for 2024-25 (Second term)

Introduction

Akash is seven years old. He has improved in attending school regularly and enjoys participating in different activities.

Games

Akash is able to run fast. He enjoys playing games with his friends in the playground. He loves to play ice and water game. Akash is very attentive in the games period.

Project

Shapes topic

Akash learnt the songs but showed less interest in them. He enjoyed drawing different shapes. He was interested in playing with jodo straws to create different shapes. He takes time in learning the song's lyrics.

National symbols topic

Akash learnt the names of the national symbols and completed drawings of the different symbols. He enjoys action-based activities but struggles with lyrics. He liked watching the benefits of lotus.

Insects topic

Akash observed insects closely and noticed how they move. He enjoyed drawing different insects neatly. He was more interested

for walk in the nature to see more insects. He enjoyed watching videos related to insects and he can recognize some insects.

Math

Akash has learnt to use the abacus and is able to do double cord calculation. He is trying his best in addition and subtraction and has also worked on word problems related to both operations. Currently he is learning number symbols. He puts in an effort and is trying his best in math.

Singing and Drama

Akash likes to draw. He became narrator in the play on 21st of Feb. he had confidence and spoke his dialogues properly. He has learnt the alphabets and can tell the sounds of the alphabets.

English

Akash has learnt the alphabets and can arrange them in correct order. He enjoys singing songs and listening to stories. He finds it difficult to answer questions related to the stories. He

finds it difficult to pronounce the big words.

Art

Akash is a very intelligent boy and he loves to do drawing. In the class when he is given to draw any picture then he tries to finish his work first than the others but he does not colors his drawings properly. In the puzzles class tries to do the easy puzzles and when he is puzzles with his friends then he finishes it very quickly.
