Akash Chalan

DOB- 4th October'18

Attendance- 167 out of 183 days

Report for 2023-24 (First Term)

INTRODUCTION

Akash is a cheerful boy, five years old, who loves going to school. He enjoys playing with his friends when he arrives at school early. Akash also takes delight in singing songs with actions. His best friend is Aryan. While Akash is usually regular at school, there are times when he doesn't attend due to village functions. His attitude towards didi is very positive, and his behaviour is exemplary. Akash maintains good hygiene, and after having breakfast at school, they are taken for a bath. He happily bathes as they tend to get dirty on their way to school due to the muddy roads. Akash washes his hands properly before meals and is mindful not to waste food. He eats all his vegetables and porridge without any fuss. He sits properly while eating and is careful not to spill any food from his plate. He thoroughly enjoys eating.

CHANTING AND SINGING

During circle time, Akash sits quietly with the group for chanting mantras. He can recite all the mantras properly and tries to chant them aloud and clearly. Akash can confidently chant many mantras. He is also skilled at singing songs and rhymes. He has learned several Hindi songs and numerous rhymes in Hindi and English.

MATHEMATICS

Akash enjoys counting, especially when counting with his friends. When asked to count alone, he can count up to 30. He likes collecting leaves, sticks, stones, and various objects to count them. Akash can also use these objects for basic addition and subtraction. He is an eager learner, always ready to learn and improve his counting skills.

PROJECTS

In the project work, Akash has completed two topics on vegetables and fruits. He can name all the fruits and vegetables along with their colours. He enjoyed working on this topic and even tasted different fruits and vegetables. In his project, he created models of fruits and puppets of vegetables. While presenting his project, he was a bit nervous but still tried his best. He shared information about cauliflower.

CELEBRATIONS AND FESTIVALS

On June 20th, he participated in a Rath Yatra and enjoyed pulling the rath (chariot) and eating the Prasad. On July 5th, he took part in a play, "Chichi Chi Diya," and played the role of a bird, which he did very nicely. On August 15th, he performed a dance to the song "I Salute My Flag." Although nervous while performing, he tried to execute the steps properly and performed well. On August 30th, he tied rakhi and enjoyed the sweets. On September 7th, he performed a dance to the song "Maa Ki

Kahaniya" and did very well, delighting in wearing the costume. On September 19th, for Ganesh Chaturthi, he sang a song called "1234."
