

Akash Chalan

DOB-04-Oct-18

Report for 2022-23 (First Term)

Akash is a sincere child. He comes to the school on time everyday. He loves having breakfast in the hostel with his friends and the other children. After breakfast he directly comes to the school. He then runs to brush his teeth with his friends.

Circle time

During circle times he always sits properly and chants all the mantras'. He tries to sing all the songs along with their actions and he enjoys doing this. He also loves to sing solo and sings very nicely without feeling shy or nervous. He is very keen in learning English songs.

Maths

In the math class he tries to count and memorise the names of the

colours. He loves to collect leaves and pebbles and arrange them in

different designs. He tries to sit properly but takes a little time to understand a new concept.

Language

He speaks in Hindi quite fluently. He tries to speak in English by imitating the elders. He tries to pronounce the words clearly and loudly. His interest in learning languages will help him learn them soon.

Co-curricular activities

He is very happy while doing the activities. He is very interested in them. He watches movies with lot of interest and tries to understand and learn from them. He enjoys solving puzzles and also doing art work.

Health and hygiene

He has knowledge about health and hygiene. He comes to the school in clean clothes. He washes his plate and hands before eating. He eats all the vegetables and fruits that are served. After eating he rinses his mouth and washes his plate properly.
