

Akash Chalan

DOB-04-Oct-17

Attendance-161 days out of 182 days

Reports for 2024-25 (Second term)

INTRODUCTION

Akash is a six-year-old boy who is a bit quiet. He usually comes early to school every day. He likes his breakfast at school. Akash has a positive attitude toward his elders. He enjoys the sandpit time to play with her friends.

MATHS

In maths Akash can count up to 100 without any difficulty. He can also do forward and backward counting. He enjoys doing addition and subtraction with objects like stones, beads, sticks, etc. He can do skip counting of 2, 3, 4 and 5 and has learnt to count with bundles like $10 + 1$ makes 11 and can use this concept for addition. He can do simple addition and subtraction with one digit numbers. He can compare two-digit numbers and understand which is

bigger or smaller. He identifies the numbers when asked and he is also helpful towards other children. He always concentrates and shows enthusiasm in the class.

ENGLISH

During language class Akash tries to sit properly and to concentrate and he shows interest in everything. Most of the time he likes to listen to stories. He can understand both Hindi and English stories. He often repeats after the teacher and tries to pronounce the words clearly. He listens to the stories and tries to make his own imaginative drawings. He has started learning English words, including his own name. He has learnt the name of days and month of the year. Akash has memorized the colours of the rainbow, and he can say the sequence of the colours.

He has been learning opposite words such as hot-cold, big-small, in out, etc. Akash has learnt the names of the baby animals, also their sounds and where the different animals live and what we call their home like cows in cowshed, birds live in a nest, etc. Akash has made good progress in learning these and remembers them well. He has learnt many English songs like trees, mangoes, Ganga Yamuna Krishnan, sa sings the sunflower, ca ca shriek the crow and many others.

HINDI

Akash enjoys listening to Hindi stories. After hearing them he likes to draw pictures. Sometimes he tries to tell stories. He likes to sing songs, and he likes to do action with the song. He is interested in learning new songs and has learnt some animal songs. He has learnt the names of India's national symbols. Sometimes he watches Hindi movies.

ACTIVITIES:

Akash is active during the activities. He participates in all the activities which are done in the group and also tries to do his work neatly and cleanly. These activities include puzzles, watching movies, colouring, drawings, paper folding and many more. In puzzles he can do 30-60 pieces of puzzles. He does it with lots of patience. Akash watches movies on Mondays. He can understand

the movies. Colouring and drawing are one of his favourite activities. In paper folding Akash enjoys folding paper to create different things like house, fish, butterfly, trees, flowers, and many other origami.

GAMES:

He also comes to the school early. He brushes his teeth and gets ready for the games. He does running. He tries to do the exercises properly. He likes to learn new games. He listens to the instructions properly. He is sincere in the games. He is active during games. He likes to play games very much. He likes to go for walking when he is told. He likes to play hide and seek, Chinese whisper, chain game, bat and ball and other games.

CELEBRATIONS

Akash had participated in various programmes over the past few months. On 29th November he had performed the Sanskrit song *Ek He Srigal* with actions. He enjoyed singing the song and was able to do the action properly. On 25th December Akash sang a song *away in a manger* and performed it well. On 21st February he performed the song *on to duty* with action. On Republic Day Akash watched the parade on TV and on Basant Panchami Akash had done a chanting *jay-jay devi*. He was interested in the performances and the celebrations. He enjoyed all the programs.
