

# **CHAITI DEOLIA**

**APRIL 2018 – MARCH 2019**  
**DATE OF BIRTH- 8<sup>TH</sup> MARCH 2012**

# **MUSIC & SONGS:**

During music time Chaiti sits very nicely. She sings in proper rhythm. She has an inner silence. She does the chanting, sings English rhymes, Hindi bhajans, and fun songs also.

Her favourite bhajan is Ram bhajan. When her group teacher asks which song you like then she starts singing Ram bhajan.

Bengali songs she can't catch quickly and takes time to learn, but she enjoys them.

# **ABOUT HER:**

Chaiti is a very shy and sweet natured child.

Chaiti is very hard working and helpful child, Whatever she brings from her home, she shares with all her friends.

She arranges all her things and group materials properly.

## TOPIC:

This year we selected and studied 6 topics- five senses, trees, insects, vegetables, first aid and my family. Chaiti is interested in all activities. She learnt only basic names in English. She takes time in replying in class. Her sense power is very good- like touching; smelling, hearing and seeing. Her favourite tree is banyan.

She learnt about names of trees, and parts like leaves, trunk, bark, etc. But she is not clear about nomenclature of family members but she tries. She is interested in vegetables topic because she did many activities and went to visit the garden in the ashram.

There she saw different vegetables. She has also created her own stories. Her favorite vegetable is carrot. In insects topic she made puppet with paper very nicely and played with it. She has made grasshopper's body parts and made a story.

## **ART & CRAFT:**

She is interested in all skill activities and paper folding. She has learnt, paper fish, boat, butterfly, house, double boat, face of cat, head cap, quilling, paper rose, etc.

# MATH:

---

She has improved in math. But she still takes a long time to answer. She has learnt 1 to 100 counting and story addition, skip counting, subtraction with objects, and can recognize shapes and numbers.

She can do simple mental addition and subtraction. She has learnt tens and ones up to 100 and explains very clearly. She is able to identify shapes and colours. She learnt names of days and months. She can break numbers up to 100. She has learnt measurement with hand span, palm span and cubit.

# ENGLISH:

Chaiti tries to speak some words. She knows English alphabets. She is a very shy girl and speaks very softly. She is learning to recognize the letters of her name. She tries to speak in English and talks in the class. She is interested in learning new things but at times gets a little distracted with her friends. Didi's taught them the "invitation poem" for Sri Aurobindo's birthday and also taught the poem "we are the children of Auro-Mira Vidya Mandir" and Hymn to Durga for Mother's birthday. When didi tells a story, she listens with interest. She likes fairy tales very much. She can speak in small phrases but is interested to communicate in English with her group mates. In the dramas, she is very good but hesitates to tell the dialogues and her voice is very soft.

# HINDI:

Chaiti is good in Hindi. She can tell stories with picture book and drawing. She has learnt the first letter of her own name and also other's.

She can identify some letters with flash cards. Her pronunciation is not clear in Hindi. She tries to concentrate during the class.

She can create stories in Hindi. She can write some of the Hindi letters and can read words without mantras.

# CELEBRATION:

= >

- She feels shy in front of the audience but whatever we do in our group- drama or dance in school functions, she is interested in all activities and. She enjoys body movements with music.

# GAMES & SPORTS:

She enjoys doing all physical activities but when we are in a running race, she gets scared and starts crying. She enjoys basic yogasana with stories.

On sportsday she stood in front of the audience and performed very confidently and properly, Her favourite physical activity is yogasana.

Her stamina is very good and she always tells didi that we will play chain game.
