

Chakra Krisani

DOB- 05-Mar-08

Report for 2022-23

My name is Chakra Krisani. I am in 10th class. I love to stay in the hostel and I love to study and play.

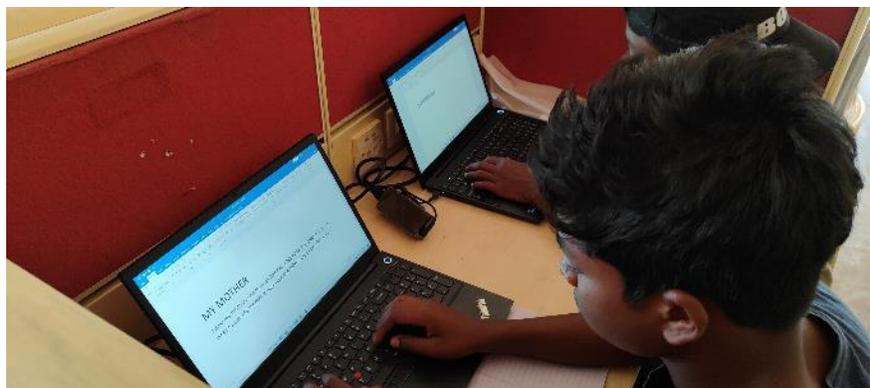

Shramdaan

I love to do shramdaan. I do toilet cleaning and gardening. Especially, I love to do gardening. I take out weeds, do digging and water the plants. Sometimes I help in the kitchen in cutting vegetables and enjoy cooking with Nilamber Bhaiya. I also help in keeping the hostel surrounding clean.

English

We have completed the first book of

English of NIOS (National Institute of Open Schooling). We have started the second book and completed two chapters of it. We also did grammar like regular verbs, notice, message writing, comprehension, etc. We read the novel 'Anne of the green gables'. Now we are giving tests of two or three chapters of the first book. I am able to answer all the questions. I also read novels during my free time like 'Shogun', 'Bodyguard', etc. I remember most of the stories and can answer the questions given in the tests. I have to improve my handwriting.

Hindi

I have completed the 1st and 2nd book of Hindi of NIOS. I found these chapters easy when Didi made us understand. I scored good marks in the individual chapter tests. I also did grammar in which I did letter writing, paragraph writing, essay writing, *varna vichched*, compound, etc. I am now trying to understand the chapters that I had not understood properly. I am also solving the previous years' questions.

Science

I have started the 2nd book of Science of NIOS. I have completed almost all the chapters of Chemistry and Physics. I have scored

individual chapter tests. I faced some difficulties in some chapters like I have started Biology and completed some chapters of it. I find difficulty in remembering some names in Biology. I made charts and

models of the related topics. I did experiments and activities and I enjoyed doing it very much. I love to make diagrams of heart, neuron, etc. I am able to do most of the questions and some I ask to Bhaiya or Didi. I also follow some books other than NIOS and I get to know more things and facts from them. I love my Science class.

Social Science

I am doing the second book of class 10th Social Science of NIOS. We have completed Geography and I found all the chapters easy. We have also completed Civics, except for two chapters. I obtained good marks tests in all these chapters. We have completed two chapters of History too. I love studying History the most. I need to improve my handwriting and revise more often so that I can score better marks.

Maths

I have completed the second book of Maths of NIOS. I gave test from the whole 2nd book. I found the 2nd book easy as I had done most of the chapters in 9th class. I obtained good marks in the tests from individual chapters. I found some difficulties in concepts of some chapters like similarities of triangles and trigonometry as these were new to me. I solved related questions from R.S. Agarwal and R.D. Sharma books and now I am confident of these chapters. I also did some MCQ's from other books of some chapters like AP, quadratic equations, etc. If I get stuck in some questions, I go to Bhaiya for help. Now I am solving the previous years' questions. I can solve almost all the questions. I need to do more practise on the questions of these chapters that I cannot do. I love to do Maths and I want to learn more.

Music

I play *tabla* in the music class. I have learnt *teental*, *jhaptal*, *keharwa*, *ektal*, *dadra*, *rupak*, etc. We also learn *kayadas*, *paltas*, *tihai*, etc. I played the drums in *Rath yatra*.

Computers

I love to do computer class. I have improved my typing speed and hand position. My gross speed is 19 wpm, net speed is 18 wpm and accuracy is 94%. I enjoy learning computers.

Games

I love to play football, volleyball, basketball, etc. I love to play football the most and I love playing in the rain. I do exercises and running before playing.

Celebrations

I played the drums in *Rath yatra*. I performed a play "Ouch!" on 5th July with my group. I had taken the role of the king. On 15th August, I participated in the art, essay, speech and quiz competitions. I enjoyed doing all these activities. I stood first in art competition. I also did a drama "Sri Aurobindo's life after coming from England". I tied rakhi on Raksha Bandhan. I made a Ganesh statue with clay and hay for the Ganesh pooja and I enjoyed making it.
