Report for 2024-25(Second term)

Introduction

Anuraj is a cheerful student and behaves properly in the class. He comes on time to the school and usually comes neat and clean. He stays in the hostel and has learnt to do all types of work. He loves playing and does his homework in his free time. He loves eating puri, poha, and fruits.

English:

Anuraj is a quiet child. He enjoys listening to stories during group study and is attentive in class. He needs to improve his spelling as he has difficulty writing and breaking down words. He also needs to improve his handwriting. During dictation, he struggles to break down and write words. He enjoys reading books by himself but finds it difficult to break down long words. He has completed Good Grammar Book 2, but it took him many days to finish. Initially, he was not putting in an effort, which made it difficult for him to complete it. However, with effort, he was able to finish the book. He is also working on the Communicative English book for Class 3 and solving the questions, but he finds it difficult. He needs to understand the stories better.

Anuraj is a very smart boy. He is doing the 3rd Gunjan book. He loves doing question answers from the book and is always joyful while working. He always asks his doubts to his teachers, until he has cleared them. He does his work properly but if he makes a mistake, he always corrects it. He loves doing reading and also loves taking dictation. He needs to work a little

hard in his grammar Varna vichhed (breaking words). He took time to learn the poem but learnt it later from his friends.

Projects:

Anuraj is a confident and cheerful student who actively participates in project class. In the past few months, he covered topics such as simple machines, adaptations of animals, revision of the previous chapters and finished living science class 2 and is currently doing class 3 book. He participated in making drawings for chart and did experiments on simple machines. He learnt new words in the topic like pulley, lever, carnivores, omnivores, herbivores, mammals, reptile and amphibians. After doing the topic he is able to answer the questions. He asks lots of questions and answers them as well. After the topic he has understood what simple machines are and could relate to them in his daily life. He is now aware of the adaptations of animals. Anuraj finds difficulty in understanding the concepts and writing the answers and is working on it.

Maths:

Anuraj is an active and curious student. He is currently working on the class 3 maths book and has covered a few chapters in the past few months, like fractions, time calendar, and measurements. He is making steady progress in his studies. Anuraj finds word problem difficult. He sometimes struggles to understand what the question is asking. He also

takes time to understand new maths concepts. However, when the concept is explained a second time, he understands it much better. Anuraj participates in class discussions eagerly. He talks a lot and actively answers the questions asked. With more practise and support he will be able to improve in maths. Revision and repetition will help him gain more confidence. After doing the measurements topic he can now convert M to CM and KM to M. he solved the questions on measurements from the book.

Puzzles:

Anuraj has started the Jungle Book puzzle with his friends. He loves to make the borders and then helps to fix the other pieces. When he does the puzzles alone, he sits very quietly and does his puzzle.

A

r Anuraj enjoys art class. He has learnt to make a house and he also learnt an easy
t way of drawing animals. He had fun making paper balloons. Anuraj showed
:

enthusiasm while making hanging decorations and put great effort into his work. He loves drawing and continues to develop his artistic skills.

S

He is a very good boy. In the singing class he does not like to sing but still he tries to sing with his friends. His favorite song is Lords Army whenever he is told to sing any song then he always sings this song. Now from this February he has started doing social science class and he is doing freedom book term2. On every Wednesday he watches movie with

his friend and he loves watching it.

O

Anuraj is a bright student with a good understanding of concepts. He sits properly in class and listens attentively to the teacher. His grasp of basic Odia is clear, which helps him learn new things easily. Anuraj often does not come on time to class. He can read and write words without matras. He knows counting from 1 to 10 in Odia. He loves listening to

Odia stories and watching Odia videos. He also loves singing Odia songs and listens carefully to the teacher when taught.

Celebration:

Anuraj went on his first trip and was very excited. Everything was new for him. It was his first time sitting in the train, and he did not sleep in the train. Anuraj could not control his happiness looking at the sea and enjoyed playing with the waves with his friends. He also excited to see the animals for the first time in the

zoo, so close. He had a wonderful time at Chilika lake where he got to see dolphins for the first time. He also visited many beautiful places like Sun temple, Lingaraj temple, Jagannath temple, Kali Jai temple, Science Museum, etc. Throughout the trip he behaved properly and listened to the instructions.
