

MADHAV, 4 YRS

Madhav has joined school in December end.
He is a loving and helpful child.

Although he has been in school for only three months he comforts and supports all the other group children when in need.

He enjoys playing with blocks, doing puzzles and beading.

He actively participates in all the group activities.

MADHAV, 4 YRS

He is quick to observe, listens carefully and does what is asked without hearing to repeat.

He is picking up singing in Hindi and English.

We are teaching him to pronounce each word with clarity.

MADHAV, 4 YRS

He goes to the toilet himself and comes to school having bathed with clean clothes.

He joined school 3 days before our sports day; still he picked up creative marching and performed with his group mates.

He likes to go for a walk and enjoys running.

After breakfast and lunch he forgets to clean his mouth.

He takes as much food as he needs, does not waste.

He is very friendly with all other children.
