

Sushila Deulia

DOB- 07-Sep-15

Report for 2022-23 (first term)

English

Sushila rarely speaks in the class. She is a very quiet girl. She dances very nicely. She takes a lot of interest in dance. She also likes to sing but takes time to learn the words as she finds them difficult. She has a

very soft voice. To learn the poem 'God', she took time. Some of the words were difficult for her to pronounce. During the story time she feels sleepy because she understands very little. On fifth July she had to speak one line of a narrator in a play and she could speak well.

Mathematics

Sushila is a quiet and cute girl. She knows forward and backward counting fluently. She does the counting very fast. She recognizes some of the digits from one to ten. She could make many different patterns with different shapes. She has

confusion in after and before counting, therefore she needs to improve and also needs clarity. She has started doing addition of numbers till 20, along with word problems such as “You have 5 toffees and you get 2 more. How many do you have now?” The rangometry kit was helpful for her to recognize the colours, and she could segregate the colours and shapes. She enjoyed a lot when she did these activities. She was able to arrange all the shapes in ascending and descending order. She also played with the jodo cubes. In these activities she made some things like chair, bed and table by using jodo cubes. Initially, she faced difficulty in joining the cubes together but playing with them a number of times she could make many structures. She also played with aakar parivar; in this she arranged all the shapes in order and recognized the colours.

Projects

Colours topic

She is a very silent and an intelligent girl. But she is not forthcoming when she is asked a question. She speaks very little in the class, after being asked a few times, she answers. She speaks very softly as she feels shy. In the colours topic she learnt the names of the colours and could recognize the colours of different objects. She has

learnt the colour song which was taught while doing this topic. She decorated the display board with drawings of different colours. She made the drawings of different things with different colours. She is very interested in activities such as dancing, singing and making drawings. She loves to do dance the most and she does it very beautifully. She catches up the steps very quickly. They had done a play on Janmashtami in which she had taken the role of a Gopi and

she told her dialogues very beautifully with full emotions. She also sang a song on Independence Day.

Family topic

The second topic she did was on 'My family'. She made drawings of her family members and was able to identify who all she had made. She was asked a lot of questions and she was able to answer all the questions. She was fully concentrated in the class while learning the English names of different family members.

Arts

She is a good girl and concentrates in every artwork and likes to do all the activities with interest. Her drawings are good as well as her colouring. She liked to paint the flowerpot and the tree with birds but she needs help in cutting and pasting. While she was making ladybird and snail, she enjoyed making the ladybird the most. In these six months she learnt to draw ladybird, snail, double boat, house, nuts and leaves. She decorated the display board of her group with these paintings. She is very good at drawing. She also listens to the instruction very carefully. She is concentrated in every activity she does.

Games

Sushila is a very intelligent and energetic girl. She is very interested in playing different games. She has good flexibility and balance in her

body. She does all the stretching exercises properly and without any problem. She is regular for games and is on time to the field. But while

doing running she starts talking with others and stops most of the time.
