

Sushant Bhoi

DOB-13-May-15

Annual Reports for 2023-24 (Second Term)

Annual Attendance 354 days out of 366 days

Introduction

Sushant is eight years old and has come from a far off village- Kodba. There are a total of three members in his family- father, mother and himself. His father is a farmer and his mother is a housewife. He is neatly dressed and clean and smart. He stays in Leduguda in his aunt's house.

Project

Animals: Sushant's inquisitive nature and tactile learning style were evident in his fascination with elephants. He took pride in his clay models and drawings, seeking validation from his peers. Despite occasional difficulties in memorizing facts, Sushant actively contributed anecdotes and engaged in discussions about animals.

Flowers: In the flowers topic, Sushant excelled in physical activities and demonstrated superior gross motor skills. He eagerly participated in tasks like watering

plants and digging holes, showcasing his commitment to the topic. Sushant's personal connection with flowers, evident in his reflection, highlighted his deep appreciation for nature and willingness to learn.

Clothes:

Math Sushant needs more concentration in class. He is very good in saying all the names of the clothes. When he does any craft in this class his colourings are very good. He is very interested in doing work physically. He took some time in learning how to fold the clothes. When he was putting buttons, he put the buttons wrong for the first time but then he learnt it. He still needs some practice in folding the clothes.

In the beginning of the class, Sushant takes great initiative in learning about math concepts. But gradually he gets distracted. When he is in a small group, when a question is asked to another child, he murmurs the correct answer but in his own turn

he is not confident. He seeks for others help to answer a question. He has not shown much improvement in these six months but he is learning with maturity.

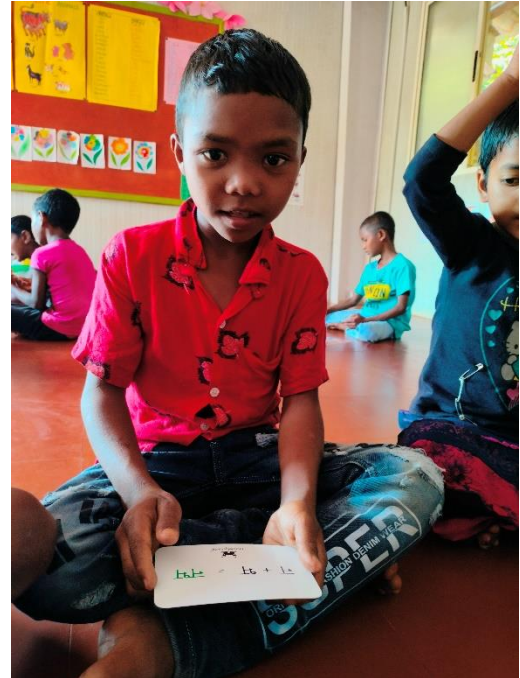

English

Sushant needs to improve his vocabulary. Because his vocabulary is not strong, it is very complicated for him to speak in English. He is a bit slow in learning, but he needs to work hard. He can arrange the alphabets by looking at the alphabet chart, both small and capital letters, he doesn't know by heart. He knows the sounds, but he also gets confused in few letters like b and d. He enjoys listening to stories, but if a question is

put to him he doesn't answers the questions. He needs to concentrate more in the classes.

Hindi

Sushant remains quiet during language sessions and shows confusion while learning Hindi letters. However, he is making efforts to learn with the help of letter-based games. He listens attentively during story sessions but takes time to retell them.

Sushant exhibits enthusiasm

and aptitude for art, particularly enjoying pepper folding and drawing. He shows eagerness to learn and has successfully replicated techniques demonstrated by the teacher. Sushant's drawings often

feature musical instruments, reflecting his interests. He has effectively learned frog, flower, and Pikachu through pepper folding, highlighting his progress in the class.

Dance

Sushant actively engages in dance class and enjoys experimenting with different

dance styles. He learns new steps effortlessly and often adds his creative flair to the routines. His cheerful demeanour adds to the enjoyment of the class.

Puzzle

Sushant has improved in puzzles solving. He challenges himself to complete the task given. He prefers solving puzzles alone and is focussed in his work. He gets distracted if he works with friends. Sushant loves to solve the big puzzles and gives his best in solving hundred and two hundred pieces of puzzles.

Sense

Susant actively participates in senses class activities and demonstrates enthusiasm in completing his tasks promptly. He enjoys playing games like "mirror walk" and "leader-leader change the action" and ensures his work is clean and tidy. His helpful nature and eagerness to engage contribute to a vibrant class atmosphere.

Games

Sushant displays activity and punctuality during games, excelling in high and long jump and actively participating in exercises and games like Chian game and ice and water. He demonstrates proficiency and enjoyment in catching activities.
