

SUSILA DEULIA

DOB- 9th July'15

Attendance- 180 out 183 days

Report for 2023-24 (First Term)

INTRODUCTION

Susila is friendly with all the children in her group and interacts with them very politely. She is a very helpful girl. She loves making pictures and her pictures are very neat.

Hostel Accommodation: She loves staying at her home with her parents. She reaches to the school on time as her home is just near to the school.

Hygiene: She comes to the school wearing clean clothes. She combs her hair and is always oiled. She comes to the school very smartly. As she stays at home all her clothes are washed by her mother.

Self-Sufficiency: While eating she likes to sit properly and eat. She is very fond of eating curds and vegetables served in the kitchen. She washes her hand and plates before and after.

Morning Ritual: she starts the class by doing some chants and singing some songs and also recites some of the poems which she has learnt in the class.

ACADEMICS

English

Susila responds to common questions in the classroom but could work on speaking more in English class. She typically sits quietly and

rarely participates in class discussions. Encouragement is needed for her to use complete sentences while speaking in English. Nevertheless, she understands class instructions and enjoys listening to stories from picture books. She can create her own stories based on drawings and enacts plays after story sessions. Susila has taken part in plays like "Because a Little Bug Went Kachu" and "The Enormous Turnip," portraying the role of a narrator in both. She memorized

pronunciation is good.

Maths

Susila is highly interested in mathematics and exhibits a strong understanding of mathematical concepts. She quickly learnt the names of shapes and can identify them in her surroundings. She enjoys creating geometric patterns, such as a large triangle composed of small triangles. Susila's addition skills are accurate, and while she may take a bit more time with mental subtraction, she displays competence. She has a clear understanding of the sequence of numbers, including "after," "before," and "between." Her skip counting abilities

five paragraphs of "Who" by Sri Aurobindo, performing it with recitation and actions. She also learned a song, "One Proud Peacock." For Ganesh Chaturthi, she played the role of a narrator in the play "Ganesh and the Moon."

Hindi

She pays attention in every class. She enjoys singing songs and has learnt some songs and chants. Her Hindi is good and can narrate creative stories. She can recognize most of the Hindi alphabets and can read certain words, now she is learning 'aa ki matra'. Her

extend up to 5 without using Ganit Mala. Susila actively engages in understanding and solving word problems. Her enthusiasm for mathematics is evident in her active participation and problem-solving skills.

Projects

Animals

Susila listens carefully and answers in the class. In this topic she learnt the names of the various animals, parts of animals, animal baby's name, food they eat and where they live. She also got to know the difference between the domestic and wild animals. She drew her favourite animal 'giraffe' and spoke few lines about her favourite animal by showing her picture. She performed in the day of assembly and could speak confidently. At the end of the topic she was asked some riddles of the animals and she could reply some of the questions.

Festivals

In the topic of festival, she got to know about the various festivals which are celebrated in her village and the religious and national festivals in our country. She was interested in listening to the stories and afterward made pictures of the story heard and spoke the same story by looking at her own picture. She could

recall the story which she had heard. She saw some videos of gods and goddesses with their weapons name.

National Symbols of India:

Transport:

She is a little shy in answering the questions asked. While doing this topic she was absent for two weeks as she was not well, so she missed out on a lot of things. But she enjoyed in the activity of making the vehicles by using waste materials, learning the traffic rules and signals. She saw some videos of transport and also learnt some songs.

CO-CURRICULAR ACTIVITIES

Arts and Crafts

Susila cherishes art class for its focus on drawing. She excels in imaginative drawing, crafting beautiful depictions of cars, flowers, trees, buildings, and more. Her colouring skills are noteworthy. Paper folding presents a unique set of challenges, yet she perseveres in creating items like boats, boxes, balls, and more.

Dance

Susila is a skilled dancer who enjoys learning new dances. She promptly learns the steps and even takes on the role of teaching her friends. While she might be shy about dancing alone, Sushila can create her own dance steps when music is

playing. She performed "Twinkle Twinkle Little Star" for Ganesh Chaturthi and delivered a great performance of "Desh Rangila" for Independence Day.

Puzzles

Sushila demonstrates a keen interest in puzzle classes, particularly enjoying fairy-themed puzzles. While she often collaborates with her classmates, she is also willing to work on puzzles by herself. Sushila is skilled at

completing puzzles ranging from 100 to 150 pieces.

Drama and singing

Sushila likes to sing songs in the group. She has a bit of difficulty in catching the words, but she tries. After repetition, she gets the lines. When she speaks individually, she tells the lines correctly, but when she speaks in the group, she is confused. She likes to sing "Imagine." She had difficulty in learning the poem "Who." She also learnt the Krishna poem and performed it. She also learnt the song "Jahan Daal Daal Par Sone Ki Chidiya,"

and she enjoyed singing it. She is good at dancing. She catches the steps very fast and can dance freely. She is not shy. She loves dancing.

GAMES AND SPORTS

SHRAMDAN

When she comes to the group she cleans her group on her turn and arranges the tables and sleepers of her friends if they are not arranged.

CELEBRATION AND FESTIVALS
