

Sumitra Jani

DOB-01-Aug-2004

Attendance-123 days out of 182 days

Report for 2024-25 (Second term)

INTRODUCTION

Sumitra is a five-year-old girl who likes to stay quiet. She is regular to school and comes early. She likes her breakfast at school. Her favourite hobby is drawing and her favourite colour is blue. She arrives at school neatly dressed and maintains good hygiene. She enjoys the sandpit activities. She has a positive attitude towards everyone.

MATHS

Sumitra can count up to 100 without any difficulty. She can also do forward and backward counting. She enjoys doing addition and subtraction with objects like stones, beads, sticks, etc. She can do skip counting of 2, 3, 4 and 5 with ganit mala and has learnt to count with bundles like $10 + 1$ makes 11 and can use this concept for addition. She can do simple

addition and subtraction with one-digit numbers. She can compare two-digit numbers and understand which is bigger or smaller. She identifies the numbers when asked and she does her work slowly. She always concentrates and shows her interest in the class. In maths, she can answer the questions when she is asked.

ENGLISH

in English class she has learnt months ,days ,animal names ,opposite words ,animal sounds names and house names of the animals .she remembers all the names nicely .when she is asked then she is able to tell all the words correctly .she also tells stories very nicely when she is told to say .she also learnt rainbow colors .she likes to hear English stories and sing song in English .she

sits nicely during the class .she can understand the English stories nicely and remember the words in the stories .

HINDI

In Hindi class, she sits properly and listens to the story carefully. After that she draws the picture of the story. Sometimes she tells the same stories. She likes to sing songs, and she takes interest in learning new songs. She has learnt some animals' songs. She likes to do action. She has learnt the names of India's national symbols. Sometimes she watch Hindi movies of Panchatantra.

ACTIVITIES

Sumitra is active and does all the activities which are done in the group and her work is neat and clean. The activities are puzzles, watching movies, colouring, drawing, paper folding and more. She can

do 30 pieces puzzles and tries to do difficult ones also. Sumitra watches movies on Mondays. She can understand the movie. Colouring is one of her favourite activity. She colours inside the picture. Sumitra enjoys folding paper to create different things like house, fish, butterfly, trees, flowers, and many other origami. She takes her own time to finish her works. During activities she like to learn new things in the class.

GAMES

She comes to the school early. She brushes her teeth and get ready for the games. She likes to do exercise. She has improved much this time in games. She listens in the class. She likes to play different types of games. She is sometimes active at the class. She learns the game easily.

CELEBRATIONS

Sumitra participated in various programmes over the past few months. On 29th November she was very excited to perform the Sanskrit song *Ek H Srigal* with actions and she had narrated the story in English with her cute voice. She enjoyed signing the song and was able to do the action properly. On 25th December she sang a song *away in a manger* and she performed it well; and she liked her costume very much and also the stage. On 21st February- the Mother's birthday, she had performed the song *on to duty*

with action. On Republic Day she watched the parade on TV and on Basant Panchami she had done a chanting *jay-jay devi*. She was
