

PANKAJ, 3.5 YRS

Pankaj is a quite boy who plays attention in all activities.

He is learning to speak clearly.

He is shy and scared so he speaks less.

He comes to school regularly.

Though he takes bath before coming to school, he dirties himself.

Also he needs to still pickup hygienic and clean habits.

TWINKLE GROUP

PANKAJ, 3.5 YRS

Pankaj is good in chanting. He is learning well.

He is picking up English vocabulary.

He retains and remembers well but is unable to speak out.

Though he participates in the group activities – drawing, playing with blocks and doing puzzles etc., at times becomes quite and thoughtful all of a sudden.

Like other children, he does not want to play or talk continuously.

TWINKLE GROUP

PANKAJ, 3.5 YRS

Earlier he was scared of jumping and did not like swings, but now he is getting over his scare & opening up.

He has learnt counting up to 20 without object.

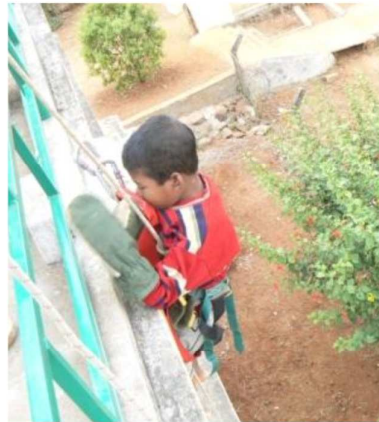

He eats slowly but eats all different dishes.

TWINKLE GROUP

PANKAJ, 3.5 YRS

Pankaj is not keen to participate in functions and programs.

When he feels good he hugs children in the group.
Also he is always ready to help his friends.

When involved, motivated he does participate and performs well.
