

Sampoorna (Shankarna) Sukia

DOB- 17-Nov-12

Report of-2022-23 (Second term)

Introduction

She loves to do drawing and watch movies. Her best friend is Ani. Her favourite food is Puri. She sits properly while eating and finishes her food. In her free time, she loves to do colouring. She is not open with all her friends. She never gives answer at once.

English

Sampoorna is a very quiet girl. She never speaks in the class. She never participates in the activities. Often she is lost in the class. She knows some of the alphabets.

Projects

Flowers:

Sampoorna sits without talking. She speaks very little and lacks confidence. As she doesn't stay in the hostel, she is not regular to school.

My body:

She rarely talks or answers questions. She did my body topic followed by food we eat topic. She was more interested in drawing in my body. She learnt the

importance of each body parts and their uses. Before introduction of the body parts, she was asked questions. She learnt about the five senses and their uses, she made drawing of body parts and she was not able to create a story from her imagination. She learnt the song- eyes, ears, knees and toes.

The food we eat:

She did drawings by looking at the book. Before drawing she told the names of some food which she eats every day. She learnt that she gets food from both plants and animals; good eating habits and how many meals we eat in a day and the names of the meals.

Maths

She forgets what was taught in the class when she comes to the school the next day. She is still learning forward counting. She sits quietly in the class. She needs to be very active in the class and has to communicate more.

Arts

She is a good, silent and active child. She is quick to pick up everything she does. Her work skills are very beautiful. She learns things quite fast. She has a little difficulty in doing paper folding and does it slowly. Her handwork is good. She does everything with concentration. She likes drawing and cutting &

pasting. In these few months she has improved her colouring and drawing a lot. She is always eager to do the activities she is being taught. She has made bird, double boat, tik-tok, honeybee, swan, double boat, flower and a branch, Among all these activities she liked to make honeybee and rabbit. She has a little problem in cutting and needs help. When she was making all these, she was very happy.

Dance

She likes to dance but she doesn't get the steps. But after many trials she picks up the steps by seeing her friends. She also likes to do warm-up and Dholida dance.

Puzzles

Sampoorna often keeps quiet in the class during puzzles turn. She cannot do very big puzzles like of 900 pieces. She solves with her three partners. She likes to solve puzzles a lot and does it with concentration.

Indoor games - She plays some of the indoor games like apple apple banana and the captain says game. She loves to play with all the other children.

Movies

She loves to watch movies in the school. She sits properly and sees the movie. She liked the red shoe and Tarzan movie.

Games

Sampoorna takes time to understand new games. Sampoorna comes to the class on time. She is a good girl and she listens to the instructions. Sampoorna is a hardworking girl and she tries do better than everyone. Sometime she does long jump and high jump, which she does very well. She does not have the stamina to play till the end.

Sports Day

This was the first time that she did army drill on the sports day. At the beginning she was not able to do it and in a week, with practise, she was doing it perfectly. She liked the piggyback exercise and would do it again and again.
