

Baghishri Muduli

DOB-27-Aug-16

Report for 2022-23 (1st Term)

Baghishri is a cute child in the group. She comes to school every day and comes in neat and clean clothes. She is very friendly with her friends. She can clean herself after using the toilet. She eats all her food without spilling and can wash her plate. During chanting time, she sits nicely and chants all the mantras clearly.

GAMES

Baghishri is an energetic girl. She plays all the game nicely and happily. She has good flexibility - she is very good at stretching and can do all types of stretching. Her speed and stamina have also improved a little. She likes to play, run, and do the exercises. While running, she never stops in the middle for break or to talk with others. She co-operates with all the children and never complains about anybody. She understands the games very quickly and enjoys playing them.

LANGUAGE (Hindi)

Baghishri is a very intelligent and attentive girl. She has learnt many songs and she is good at singing. While learning the songs, she is able to learn the lines very well. She is not able to pronounce some words, but she tries, and her voice is very clear and audible. She is able to recognise the colours and their names. She makes drawings and creates stories based on them and narrates them. She also likes to listen to stories narrated by didis, from picture books. When she is not able to understand, she asks questions by herself. She has participated in some plays in Hindi - her first play was "The fruit seller". She had performed the play on "Janmashtami" and she played the main character of the fruit seller. Her dialogues were quite long and she took a little time to remember them, but she performed the play well. Her voice was soft and clear but the pronunciation of some of the words were not clear. Although on the stage, she was a little nervous, but

she delivered her dialogues quite well. In the group also, she does some short plays for her language development.

LANGUAGE (English)

Baghishri is very eager to do all activities and shows an interest in the activities that she does. She likes to learn new songs and rhymes. She likes to listen to the stories and sing songs. She has learnt two rhymes “Chai chai - coffee coffee” and “Old MacDonald had a farm”. She sings these rhymes with action and she sings very beautifully, in a loud and a clear voice. She has improved in her pronunciation. She listens carefully to all the stories in the group. She likes the stories when narrated with big picture book and she can identify most of the pictures. She can tell the colour of the objects and the number of objects. She knows the opposite words. She can answer the questions when she is asked. She did a play named “The enormous turnip” in which she had taken the role of a narrator. She learnt her dialogues very fast and enjoyed doing this drama.

MATHS

Bhagishri is an intelligent and active child. She has a good memory and understanding capacity. During activity time, she is very attentive and sits nicely. In colour recognition she is very good - she can recognise all the colours and tell their names. She is very good at counting – she can do forward and backward counting with “Ganit mala”. She can tell after and before numbers

without any objects till hundred. However, she can think and answer the words problems only sometimes.

CO-CURRRICULAR ACTIVITIES

Baghishri is a very thin and cute girl. She has good power of concentration. She likes to draw figures like tree, grass, flowers, clouds, mountains. She can identify the colours by seeing the pictures. She fills-up the drawing with different colours, properly and patiently. In paper folding, she needs some help to fold the paper. In cutting and pasting she is very fast. She tears the paper with patience. She helped to make the rainbow by pasting the collage. In quilling, she is able to roll the strip of paper and make flowers out of it. She enjoys dancing with music and she can dance well. She is slowly developing her motor skills.

CELEBRATIONS

Baghishri has a lovely voice. She speaks her dialogues sweetly. She has no stage fright. When she speaks her dialogues, she looks at the audience. She can remember her dialogues very quickly.

On 11th of August, she celebrated "Raksha bandhan" with her group. She made a rakhi by quilling for herself. On 15th August, she recited the poem "A Tree" and did a dance on "Nanha munha rahi hun" in her group. On 18th August "Janmashtami" she played the role of an old woman in the play "Fruit seller". Her dialogues were long, but she enacted it very nicely. On 31st August, she sang a song "Jai Ganesh" with her friends.
