Report for 2023-24 (First Term)

INTRODUCTION

Junesh is a smart and clean boy who actively participates in class activities. He is cheerful, a bit naughty, and displays strong concentration. He quickly grasps concepts and is eager to learn.

CHANTING AND SINGING

During circle time, Junesh focuses on chanting and enjoys singing songs taught by teachers. He confidently sings alone when asked. He learns songs about fruits, vegetables, and flowers and knows many chants. His chanting skills are steadily improving.

MATHEMATICS

In math class, Junesh is learning to count up to 30. While he sometimes counts a bit slowly and with some confusion,

he remembers the colours with ease. He's actively engaged in counting objects and can show numbers as directed.

PROJECTS

Junesh initially explored vegetables for his project, learning about their names, tastes, and creating drawings of various veggies. He learned songs about vegetables and shared his knowledge with the group. Currently, he's focused on fruits, learning about their names, tasting different fruits, and working on songs about fruits. He's also actively involved in making fruit puppets.

CELEBRATIONS AND FESTIVALS

Junesh actively participates in school programs, demonstrating confidence on

stage. He has performed in the drama "Chi Chi Chidia" on 5th July, danced, and sung songs with his group mates during Ganesh Chaturthi, and confidently sang a song on 15th August.
