**DATE OF BIRTH – 10<sup>th</sup> NOV - 18**

**ANNUAL REPORT FOR 2023-24 (Second Term)**

**ANNUAL ATTENDANCE 325 Days Out of 366 Days**

## **INTRODUCTION:**

Junesh is a smart and tidy boy who actively participates in class activities. He exudes cheerfulness, with a hint of mischief, yet displays strong concentration. Regular attendance at school is one of his notable attributes, and his behaviour towards everyone is commendable.

**CIRCLE TIME:** During circle time, Junesh enthusiastically engages in chanting and

enjoys singing songs taught by teachers. He

confidently sings alone when requested.

His chanting is loud and clear,

with a concerted effort to pronounce words correctly. Even when faced with unfamiliar songs, he attempts to sing along with the teachers and enunciates words with proper pronunciation.

**MATHEMATICS:** In mathematics class, Junesh has mastered counting up to 50 and is currently endeavouring to count up to 100. He actively participates in all maths activities with full concentration, striving to complete tasks promptly and assist others in the class. Additionally, he is learning basic addition and subtraction through

engaging short stories, utilizing objects such as stones, beads, and geometry shapes to aid his learning.

**PROJECTS:** Junesh initially explored the topic of animals for his project, delving into their names, sounds, and creating drawings of various species. He enthusiastically shared his newfound knowledge with the group, showcasing his excitement for learning. Furthermore, he ventured to the village to observe animals first-hand and meticulously crafted drawings

of the pet animals he encountered.

**LANGUAGE:** During language class, Junesh demonstrates attentiveness by sitting properly and actively listening to stories in both English and Hindi. He exhibits comprehension of the narratives and occasionally attempts to narrate stories himself. Junesh is mindful not to dirty the paper when given drawing tasks. In English, he is progressively learning small words and attempting to construct simple sentences, showing a commendable effort in language acquisition.

## **GAMES:**

Junesh enthusiastically participates in various games, displaying high levels of energy and activity. Prior to engaging in any game, he prefers to perform warm-up exercises to prevent any injuries during play. He finds joy in falling down during play and often repeats the action with enthusiasm. Junesh particularly enjoys playing in the sandpit, where he delights in using the slide and swing. His favourite games include running

activities such as chain game, mouse and cat, ice and water, and hide and seek. During exercises, he incorporates counting and occasionally takes on leadership roles. Additionally, he demonstrates a fondness for climbing trees and jumping from heights, showcasing his adventurous spirit.

## **CELEBRATIONS:**

On 25th December, Junesh sang a song with his friends titled "I am a Little Star," and he performed very nicely. He was also very excited to see Santa Claus. On 26th January, he watched the parade on TV. For Basant Panchami on 14th February, he sang the song "Namo Sharda," and he enjoyed the programs along with eating Prasad. On 21st February, he participated in a play called "Mata Ka Rishta" where he acted as the narrator, delivering his lines properly and doing his best. Lastly, on 25th March, he celebrated Holi by playing with colours and enjoyed eating sweets.
