Report for 2024-25 (first term)

Introduction

I am Bhakti Muduli. I study at Auro-Mira Vidya Mandir. I am 17 years old and currently in class 12. I have taken five subjects and have already completed the exams for three of them In May'24. The following are my scores: -

Home Science- 63%

Physical Education- 73%

English 88%

I still need to take the exams for History and Painting, and I am currently preparing for History.

In my free time, I study my subjects. I also volunteer in a small group. I lead games for the Peace Group in the morning at 8:30 AM and help them take naps in the afternoon.

At 2:30 PM, I have class with the Peace Group, where I facilitate some activities with their didi. On Saturdays, I take the games for the Oxygen Group, and on

Wednesdays, I have my Roti turn. I also have a serving turn on Sundays.

Yogasana

I practise yogasana early in the morning to keep my body healthy. I enjoy doing yogasanas as they offer many benefits.

Shramdan

After my yogasana session, I participate in shramdan. I help with toilet cleaning, hostel cleaning, gardening, school cleaning, kitchen duties, and cleaning the girls' hostel. During toilet cleaning, we ensure the toilets and bathrooms are clean. In hostel cleaning, we remove cobwebs and sweep the verandas. In gardening, we focus on weeding.

Games

Before starting any games, I take a moment to pray. We warm up with running and exercises before playing. Each day, we play different games, including football, basketball, volleyball, and other minor games. My favourite game is basketball.
