Report for 2024-25 (Second term)

Introduction

Bhavani is six years old. She is regular to school and stays in the hostel. She enjoys living in the hostel and loves drawing.

Art

She is a very good girl and she loves to do drawing. In the class when she is given to draw something then she finishes it very carefully and finishes it very neatly and cleanly. She is also very curious to learn paper folding and

while doing paper folding she tries to do all the folding's properly and neatly.

English

Bhavani needs improvement in recognizing alphabets and understanding letter sounds. Currently she does not recognize letters and finds it difficult to learn them. She listens carefully to stories but struggles to answer questions related to stories. Bhavani is not very interested in singing. She sings songs by liping along.

Project

National symbols topic

Bhavani completed her drawings and enjoyed watching videos about the lotus and other symbols. She feels happy

while singing but has difficulty remembering lyrics. She knows the names of some national symbols.

Shapes topic

Bhavani enjoyed playing with jodo straws and tried making different shapes. With effort, she learnt a few shape names like square, triangle, rectangle, circle and cone. She struggles with pronouncing words like

rectangle, hexagon, and trapezium.

Insects topic

Bhavani loves drawing and colouring in every topic. She knows some insects' names and can recognize common ones in the surrounding. She finds it difficult to answer questions and learns song lyrics.

Math

Bhavani is trying to learn counting and is making progress. She has learnt to use the abacus and the double-cord method. She is learning addition and subtraction and tries her best to solve problems. Currently she is working on understanding number symbols. While she puts in an effort, she needs to focus more. With more practice she can do even better.

Singing and Drama

Bhavani has not learnt the alphabet properly. She did an action song on 21st of Feb. The song was *jahaan jahaan mai jaun*. She likes to hear stories and sing songs in the class.

Games

Bhavani loves to play hide & seek, rani kabaddi and hopping game. She was the first from her group to learn rani kabaddi game. She mostly likes playing on the slides and in the sandpit with her friends. She enjoys playing a lot but is not interested in doing exercises.
