

DEBAKI BHUMIA

DOB: 08th SEP - 17

ANNUAL REPORT FOR 2023-24(SECOND TERM)

Introduction

Debaki is an exemplary student who displays a strong dedication to learning. She consistently listens to her teacher and actively participates in class discussions. Debaki's inquisitive nature is evident as she often asks questions to deepen her understanding. Additionally, she is regarded as cute and possesses a keen ability to comprehend concepts effectively. Overall, Debaki is highly regarded as a brilliant and attentive student.

Projects

Debaki actively participates in project sessions and enjoys the learning process. She demonstrates good comprehension of the topics covered and effectively communicates her ideas during discussions. Her enthusiasm for project-based learning is evident, and she actively engages with the topics explored.

Mathematics

Debaki has shown continual improvement in maths and meets all requirements successfully. She exhibits a strong understanding of skip counting, addition, and subtraction. While her calculations are accurate, she is still working on applying them effectively in story sums, indicating a need for further practice and application.

English

Debaki is a diligent and well-behaved student. She demonstrates good manners by sitting properly in class and focusing on listening. When prompted to retell stories, Debaki is able to convey them in Hindi while making an effort to speak in

English, indicating her willingness to improve her language skills.

Participating in a play for the 21st February celebration, Debaki took on the role of a sadhak. She delivered her dialogues beautifully on stage, showcasing her confidence and acting abilities.

In addition to her involvement in the play, Debaki has learned various rhymes in class, including "The Five Little Monkeys" and "Old MacDonald Had a Farm."

Arts and Crafts

Debaki displays enthusiasm in various art activities, particularly enjoying drawing flowers and colouring pictures with care. She occasionally requires assistance in paper folding, with her favourite colour being blue.

Games

Debaki's favourite games include "blindfold catching," "ice and water," and "fire on the mountain." She excels in exercises and demonstrates good ball-balancing skills.
