Report for 2023-24 (First Term)

Introduction

Devaki is a regular child who enjoys attending school. Lately, she arrives neat and tidy, often reaching school before the scheduled time. Devaki prefers having breakfast in the school hostel and drinking milk. She also ensures to brush her teeth at school. If she ever wears turned or mismatched clothes, she promptly changes into the correct attire at school. Devaki has a fondness for eating all vegetables and consistently finishes her meals.

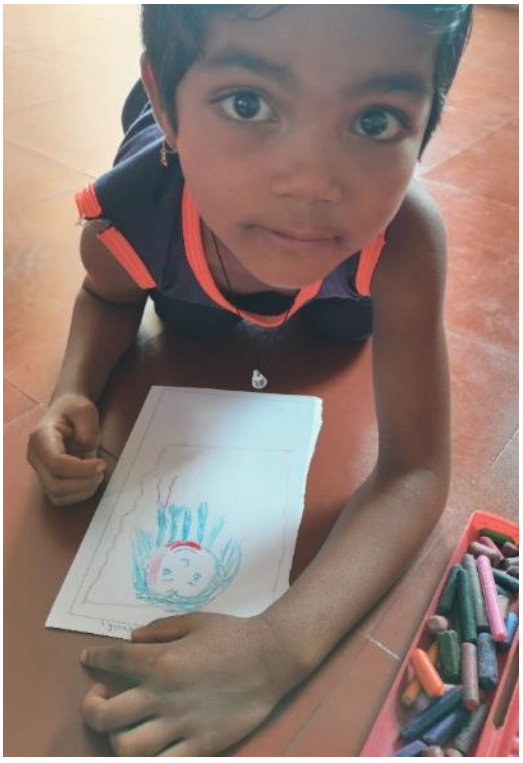
Circle Time

During circle time, she sits nicely and chants all the rhymes loudly. However, she sometimes encounters difficulties in pronouncing certain

words during the chanting. Devaki loves to sing songs with actions and has a quick memory for songs.

Languages

Devaki enjoys learning language through songs and role play. She is a very talkative girl. Initially, when she joined school, she spoke in her native language. However, now she understands Hindi and has started conversing in Hindi. She also enjoys listening to stories from picture books. After listening to a story, she can answer questions about the story.



Sometimes, she creates drawings and develops her creative stories. She can describe herself in 4 to 5 lines during the "myself" topic. She has learned the names of external body parts in both Hindi and English. Additionally, she has created depictions of her body parts through painting and drawing. Devaki has also learned about her family's relationships through role play and puppet shows, both in Hindi and English.

Mathematics

Devaki enjoys math activities outside of the group. She has learned the names of colours by creating different

patterns with Rangometry and by observing the natural colours of flowers, fruits, grass, trees, etc. She has grasped pre-number concepts such as long-short, big-small, heavy-light, fat-thin by collecting sticks, stones, and leaves. She has learned counting up to 10 by touching objects.

Skills work

She appreciates the variety of activities in art class, including paper folding, drawing, and painting. She enjoys drawing flowers and takes care not to dirty the paper while colouring. In paper folding, she sometimes requires teacher's assistance. Her favourite colour is blue, and she works diligently despite a slower pace.

Celebrations

drama about body parts. On August 15th, she showcased a dance performance to the song "Sri Aurobindo Name Ananda." On August 30th, she made rakhi and tied it on the wrists of her Grace Group children. On September 7th, for Janmashtami, she delivered a dance performance to the song "Adharm Madhuram." On September 19th, during Ganesh Puja, she danced to the song "O My Friend Ganesha."

Games

Devki is a well-behaved girl who, despite being a bit mischievous, doesn't disrupt the class. Her favourite games include "blindfold catching," "ice and water," and "fire on the mountain." She excels in exercises and has good ball-balancing skills.
