Devdutt Jani

Devdutt comes regularly to school. He is always neat and clean while coming to school. He is a nervous and very shy boy and doesn't speak to didis. He talks like a baby. When didis ask something, then he does not respond and he cries. When he answers, then it is in a very soft voice. He does colouring nicely. He has learnt a little bit of using the toilet and cleaning. He knows counting from 1- 10.
