

Rabinarayan Gouda

DOB: 16TH JUL -18

ANNUAL REPORT FOR 2023-24(SECOND TERM)

Introduction

Rabinarayan is an adorable and playful boy who enjoys interacting with his teachers. While he listens to his teacher attentively, he may sometimes struggle to understand concepts fully. However, he isn't hesitant to ask questions when clarification is needed, and although he may provide incorrect answers at times, he makes an effort to participate actively in class.

Projects

Rabinarayan displays attentiveness and participates actively in the project class. He thoroughly enjoyed discussing the topic of our healthy body and engaged well in the discussion. While currently exploring the topic of houses, he exhibits some

confusion but enjoys the learning process.

Overall, Rabinarayan demonstrates concentration during project sessions.

Mathematics

In mathematics, Rabinarayan can count up to 100, although he may feel a bit confused at times. Despite finding the abacus challenging to grasp initially, he perseveres in his efforts to understand. Rabinarayan particularly enjoys math activities and demonstrates an ability to comprehend

concepts when presented in various ways, although he may occasionally lose focus in class due to his playful nature.

English

Rabinarayan has demonstrated proficiency in learning various songs and rhymes in class, including "This Old Man," "Chai Chai," "A-Ram-Sam-Sam", "Five Little Monkeys," and "Old MacDonald Had a Farm." Additionally, he participated in a play for the 21st February celebration, taking on the role of a little plant. Although he did not have any dialogues in the play, he delivered a beautiful performance

on stage.

Arts and Crafts

Rabinarayan displays interest in drawing various elements of nature with cleanliness and precision, occasionally requiring assistance in paper folding. His favourite colour is red, reflecting his vibrant artwork.

Games

Rabinarayan excels in games and is an active participant in class. He's a dedicated player. He often takes longer to understand the main concepts of a game. His favourite games include "back-to-back," "fire on the mountain," and "ice and water."

Celebrations and Festivals

Please refer to the group report.
