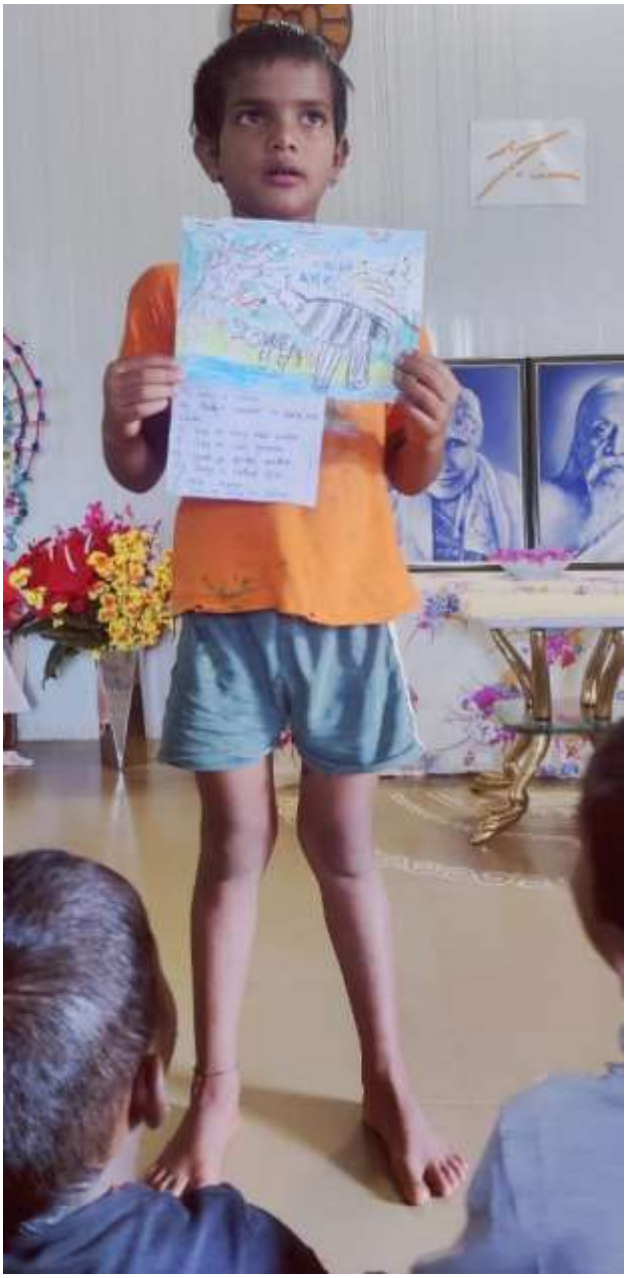
ACADEMICS

English

Anushka approaches her English class with liveliness and open expression. She actively engages in class activities, displaying a particular fondness for stories from pictorial books. Her apt listening skills allow her to make informed guesses about



the story's progression based on the pictures, and she confidently answers questions during storytelling. She enjoys entertaining programs like singing, drama, and dance, especially when they involve small stories and participation from her classmates. Anushka willingly embraces acting and often requests to perform dramas with her peers. She exhibits a strong memory, memorizing her dialogues, poems, and songs with enthusiasm. Her pronunciation is clear, and she regularly speaks in English, with occasional use of Hindi words. Anushka also attempts to apply basic grammar concepts in her sentences, such as opposites, demonstratives,

prepositions, singulars, and plurals. Her phonemic awareness is evident as she practices the pronunciation of new words. Anushka shows an unwavering interest in English and is making excellent progress. On Sri Aurobindo's birthday, Anushka participated in a creative movement based on Sri Aurobindo's poem "WHO." She learned the lines with ease, although she faced some challenges during the final recitation. During Ganesh Chaturthi, Anushka performed in a drama named "Ganesh and the Moon," portraying the character of Lord Ganesh. She took some time to memorize her dialogues with correct pronunciation. While not entirely expressive during the drama, Anushka put forth a commendable effort.

Hindi

Anushka is an intelligent and enthusiastic learner. She loves listening to stories from the teacher and is often the first to provide correct answers to questions. Anushka's creativity is evident in her ability to create her own stories and drawings. She has learned the alphabet with ease and has good pronunciation. Anushka even tries to read words without matras. She enjoys singing songs and can remember lyrics easily, even though she can be a bit distracted.

Maths

Anushka is a highly intelligent student who quickly grasps concepts in mathematics. Despite occasionally fidgeting with her clothes, she is an attentive listener and actively participates in class. Her aptitude for mental calculations is notable, and she exhibits the ability to add three-digit numbers with single-digit numbers. Anushka is also well-versed in geometric shapes, including circle, square, triangle, rectangle, and semi-circle. She can identify these shapes in her surroundings. Additionally, her problem-solving skills extend to word problems related to real-life scenarios. Anushka's enthusiasm for learning and her strong mathematical skills are evident in her consistent and accurate responses.

Projects

Anushka is a highly intelligent and attentive student who excels at retaining the information taught in class. She actively participates in class discussions and answers questions effectively, though she may occasionally become distracted and struggle with self-control.

Animals

In the Animals topic, Anushka displayed a strong

understanding of various aspects of animals, such as their names, habitats, offspring, physical characteristics, diet, and their role in assisting humans. She also showcased her artistic skills by creating detailed animal drawings. Anushka easily differentiated between domestic and wild animals and confidently presented her knowledge in the assembly hall.

Festivals

For the Festival topic, Anushka learned about a wide array of festivals, including those celebrated in her village, school, and national festivals. She had a keen interest in listening to festival stories and watching videos. Her knowledge extended to the names of gods and goddesses associated with these festivals, and she could explain the reasons behind the celebration of certain festivals.

National Symbols of India

In the National Symbols segment, Anushka explored India's national symbols and learned about important figures like Mahatma Gandhi and Jawaharlal Nehru. She also created drawings of the national flower, bird, tree, and flag. Anushka grasped the significance of these symbols and learned patriotic songs like the "National Anthem" and "I salute my Flag."

Transportation

In the Transportation topic, Anushka gained knowledge about various types of vehicles, the invention of the wheel, and the different modes of transport. She easily understood the distinctions between different modes of transport and the components of various vehicles. Anushka also learned about vehicle storage and the roles of drivers. Road signals were another aspect of transportation that she comprehended well.

CO-CURRICULAR ACTIVITIES

Arts and Crafts

Anushka enjoys art class, where she passionately embraces drawing and paper folding. She demonstrates her creativity through a beautifully crafted flower collage. Anushka's colouring skills are commendable, and although she faces some challenges with drawing, she perseveres to make her artwork look good.

Dance

Anushka displays a strong passion for dancing. She enthusiastically embraces learning new dances and quickly grasps dance steps. If she encounters any challenges, she actively seeks assistance from the teachers. She enjoys warming up with Zumba dances and energetically dances when in a good mood. Learning Zumba dances is a particular delight for her. She learnt the dance "Twinkle Twinkle Little Star," a Ganesh song, and performed it for Ganesh Chaturthi.

Puzzles

Anushka displays a genuine interest in puzzles. She is consistently on time for her classes and is capable of completing 100-200 piece puzzles on her own. Anushka's enthusiasm for

puzzles is evident as she enjoys any type of puzzle. She also respects her classmates by not disrupting the class.

Drama and singing

Anushka is an intelligent girl and a fast learner. She catches the songs very fast. She concentrates in the class. She learnt the song "Jahan Daal Daal Par Sone Ki Chidiya" fast but was pronouncing some words incorrectly. When she is singing the lines incorrectly, the teachers can correct her. She learnt the songs "Neem, Peepul, Banyan" and "Imagine" quickly. She enjoys singing "Imagine" the most. If she doesn't get the lines, she asks the teacher. She is keen to learn new songs. She is the child who sings the loudest. She leads the songs when all the children are singing together. She learnt the whole poem that was taught halfway. She also learnt the Krishna poem and performed it. She likes "Who" poem more than

the Krishna poem. She can catch dance steps after repeating them a few times. She enjoys doing all the dances.
