

RUKMANI MALI

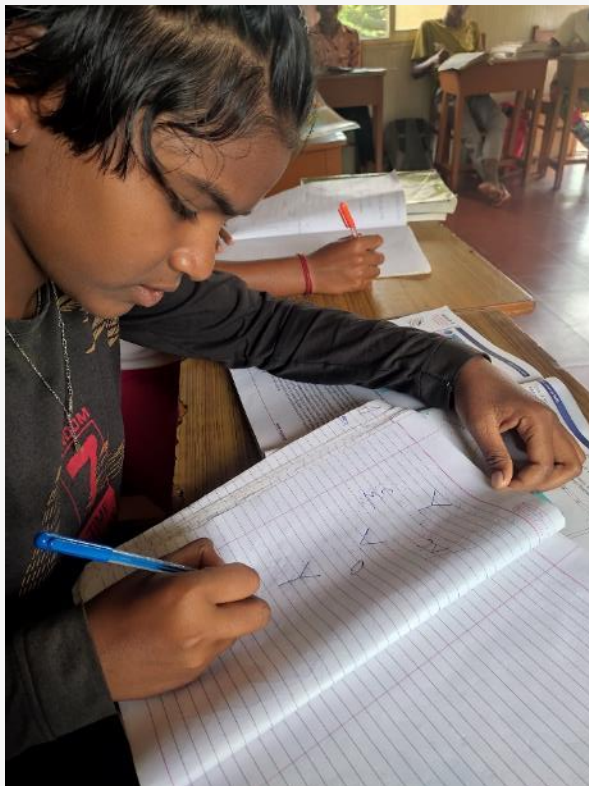

DATE OF BIRTH - 06th MAY-10

ANNUAL REPORT FOR 2023-24 (Second Term)

ATTENDANCE _____ Days Out of 366 Days

MATHS

Upon returning from the trip, I embarked on my ninth mathematics book, successfully covering four chapters thus far. Demonstrating proficiency in understanding concepts and solving associated problems, I've diligently completed tests for each chapter, maintaining a keen interest in the subject matter.

HINDI

In Hindi, we have diligently progressed through the course content of the NIOS 10th book. My focus remains on refining grammar skills as I prepare for upcoming examinations scheduled for next year. Notably, my writing skills continue to flourish.

ENGLISH

Within the realm of English studies, we have effectively covered the essential content. Engaging in regular testing to reinforce comprehension, we also devote time to reading various texts. Grammar practice remains integral to our routine, resulting in noticeable improvements in writing proficiency. Occasionally, to alleviate monotony, I indulge in Sudoku and puzzles. Furthermore, we explore creative writing avenues,

including poetry composition, and diligently practice formal writing formats such as letters, notices, and reports.

In the domain of social science, I have successfully completed both the 10th-grade textbooks. Presently, our focus lies on studying the ICSE 10th-grade syllabus encompassing civics and geography. Supplementing our learning with relevant videos and current affairs updates, I find the subject matter both fascinating and comprehensible. Engaging in note taking and map work, we delve into the intricacies of India's

development trajectory,
nurturing a deep curiosity about
ongoing national dynamics.

SCIENCE

discussions and diligently complete assigned

BIOLOGY: Having concluded the 10th-
grade biology curriculum, we now
engage in comprehensive chapter
reviews and diagram practice
sessions, including assessments to
reinforce our understanding.

: Transitioning from the NIOS 10th-
grade syllabus to the CBSE equivalent,
we have covered six chapters since
initiating this curriculum in February.
Delighted with my growing
comprehension and enjoyment of the
subject, I actively participate in class

CHEMISTRY: While progressing through the NIOS 10th-grade syllabus in chemistry, homework.

we've transitioned to revisiting concepts from the CBSE 9th-grade curriculum. Despite encountering challenges with understanding molar mass calculations, I remain committed to mastering the subject matter through rigorous practice and note-taking.

COMPUTER

Engaging with computer studies, we

immerse ourselves in textbook content, supplemented by practical exercises such as typing and PowerPoint presentations. Eager to enhance my proficiency, I actively participate in assessments to gauge progress and eagerly anticipate further exploration of this field.

DANCE

Currently, our focus in dance class revolves around mastering classical dance steps, an endeavour I find thoroughly enjoyable. While recent scheduling conflicts have temporarily disrupted our sessions, I eagerly anticipate their resumption.

ART

Within the realm of art, I indulge in various creative pursuits such as painting, sketching, and drawing, with a particular fondness for the latter. Despite recent limitations, I continue to nurture my artistic talents through regular practice and exploration.

YOGA

With a deep-seated passion for yoga, I consistently attend sessions punctually, relishing the opportunity to engage in various asanas and cultivate a sense of inner peace and well-being.

SHRAMDAN

Participating in shramdan activities, I actively contribute to the maintenance of cleanliness within the girls' hostel, executing assigned tasks diligently and punctually while deriving satisfaction from the tangible impact of my efforts.

GAMES

Engaging in a diverse array of sports activities, including running, basketball, and volleyball, I relish the opportunity to hone my skills and foster teamwork. While I particularly enjoy basketball and volleyball, I remain committed to improving my proficiency across all disciplines.

MUSIC

Within the realm of music, I hone my skills in playing the flute while also engaging in vocal training and learning traditional songs. Recent repertoire includes the Brahmaputra song, contributing to a well-rounded musical education.

CELEBRATION:

Throughout the year, our school organizes a multitude of vibrant celebrations, fostering a sense of community and joy among students and staff alike. Notable highlights include: honour the special

- **The Mother's Birthday:** To occasion of the Mother's Birthday, we curated a delightful flower exhibition, showcasing the beauty of nature and expressing gratitude towards maternal figures. Additionally, we curated diverse programs, including musical performances that celebrated the essence of motherhood.
- **Holi Festival:** Embracing the spirit of Holi, we immersed ourselves in a riot of colours, engaging in spirited

play with vibrant hues. The school adorned a festive atmosphere, with teachers organizing a lively market offering delectable treats and delights, fostering a sense of jubilation and camaraderie among students.

- **Sports Day:** On Sports Day, the school grounds came alive with the energy and enthusiasm of students participating in various athletic activities. Commencing with a spirited march at 9:30, the event featured esteemed guests such as Tara didi, enhancing the celebratory ambiance. Amidst the festivities, we also incorporated

moments of mindfulness through yoga practise, nurturing holistic well-being.

- **Army Drill.** Engaging in an exhilarating army drill, I relished the opportunity to showcase discipline and precision, thoroughly enjoying the experience while executing the festivals throughout the year, enriching our collective experience and fostering a deep appreciation for cultural diversity.

Each celebration serves as a testament to the vibrant tapestry of experiences and traditions that define our school's ethos, enriching our educational

TO NORTHEAST journey with moments of joy, camaraderie, and cultural immersion.

TRIP

On October 30th, we embarked on an enriching journey to the Northeast, setting off in the afternoon with our luggage in tow. Our itinerary unfolded as follows:

- **Paliba:** Our initial stop, where we boarded a train bound for Koraput.

- **Koraput to Titlagarh:** Arriving at Koraput, we proceeded to Titlagarh, where we spent a night, resting after our journey.

- **Kolkata:** Continuing our

adventure, we journeyed to Kolkata, arriving in the morning. There, we visited the zoo, marvelling at the diverse array of wildlife, including snakes, birds, tigers, and deer, before enjoying a delightful lunch.

- **Guwahati:** Afternoon saw us boarding a train to Guwahati, where we immersed ourselves in cultural exploration at the Shankar Dev Kalakshetra Museum, gaining insights into local traditions, instruments, and historical

artifacts. A visit to the Kamakhya temple added a spiritual dimension to our experience.

- **Tezpur:** Our journey then took us to Tezpur, where we beheld the majestic Brahmaputra River and visited Ganesh Ghat and Shiva's temple, soaking in the serene ambience manoeuvres with proficiency.

- **Festival Celebrations:** Beyond these specific events, our school community embraces a culture of inclusivity and festivity, consistently commemorating a myriad of
- ce and historical significance of these sites.

- **Kaziranga:** Next, we ventured to Kaziranga, where we relished a memorable safari experience, encountering rhinos, elephants, and various other fauna in their natural habitat. A morning park visit provided further opportunities for wildlife observation and jeep riding, leaving a lasting impression of the park's vastness and biodiversity.
- **Rupa:** Following our wildlife adventures, we stayed overnight in Rupa, appreciating the tranquillity despite the modest accommodations, and explored the local monastery.
- **Tawang:** Our journey continued to Tawang, where we delighted in

Mandir, and paid homage at Shiva temples and Buddhist stupas, immersing ourselves in the spiritual and cultural richness of the region.

- **Return to Kolkata:** Returning to Kolkata, we indulged in educational pursuits at Science City, expanding our knowledge base before visiting Victoria Memorial to conclude our memorable journey.
- **Reflections:** Throughout our travels, I cherished every moment, from encounters with wildlife to cultural immersion and scenic

the sight of snowfall and engaged in snow play. A visit to the China border and insightful guidance from Shekhar sir enriched our understanding of the region's geopolitical significance.

- **Bomdila:** We then proceeded to Bomdila, where we admired the grandeur of monasteries and soaked in the serene ambiance before returning to Rupa.
- **Meghalaya:** Exploring the scenic wonders of Meghalaya, we marvelled at the Seven Sisters Falls, Elephant Falls, and Mawsmi Cave, appreciating the region's natural beauty and geological marvels.
- **Sikkim:** Our journey culminated in Sikkim, where we explored the picturesque landscapes, visited Baba

marvels. The trip left an indelible mark, fostering appreciation for the region's beauty and the sacrifices of our armed forces.

Upon returning to Kechla, we reflected on our unforgettable journey,
