Mohan Pukia

DOB- 19th September'17

Attendance- 179 out of 183 days

Report for 2023-24 (First Term)

Introduction

Mohan is a regular student who always arrives at school before the scheduled time, dressed neatly and tidily. He particularly enjoys playing in the sand pit. At school, he has and drinks milk, with porridge being his favourite food. He follows a routine of brushing his teeth at school. Mohan is friendly and gets along well with all his friends. He is known for his willingness to eat all the vegetables and food prepared at the school, even though he used to dislike bitter gourd.

Circle Time

During circle time, Mohan sits nicely and chants all the mantras, remembering each one. He has a loud and clear voice and enjoys singing animal songs with funny actions. His favourite rhyme is "Monkeys, We Are the Monkeys."

Languages

Hindi

In terms of language, Mohan likes to listen to stories from picture books and poppet shows. He listens carefully and can answer questions related to the story in full sentences. He can retell the full story and adds animal sounds to his narration. In the "Myself" topic, he has created a book about himself through drawings and paintings. He can introduce himself in full sentences. In the "Body Parts" topic, Mohan made drawings and paintings of his body parts, learned their names and functions, and can provide 3 to 4 lines of information about each body part. In the "My Family" topic, he has learned about the relationships within his family and can describe his family in 5 to 6 lines.

English

Mohan is an enthusiastic learner who enjoys school with all his friends. He shows initiative and gets involved in the activities done in the class. He sings all the rhymes with full enthusiasm. He tries to do actions

how to speak his full name in full sentence, his age, his favourite colour and fruits and vegetables, etc. and name of his school and group. He made a book out of it by making pictures and then cutting and pasting it in a book.

In the topic on My Family, he learnt how to speak full names of his parents, their occupation and how many members are there in his family. He also learnt a rhyme on this topic. He also listened to stories of my family through puppets.

vigorously while singing all the rhymes. He loves listening to all types of stories. He recently listened to a story of a thirsty crow with puppets. He was engrossed in listening to this story because real objects were used to narrate the story with voice modulation. After listening to stories, he draws the pictures and then tries to speak the words in English to describe what he has made.

In the topic of My Body he has learnt the different names of the body parts. He learnt the names by using a body part chart. After doing it a few times he could tell the names of his body parts.

In the topic on ‘Myself’, he has learnt

Mathematics

Mohan has made steady progress over the past six months. He has developed a strong understanding of numbers up to 100. He can represent numbers using bead strings and count both forwards and backwards independently. While he can count forward after a given number, he may face some difficulty counting backward from a number. Mohan understands big and small numbers and has a solid grasp of the concept of breaking numbers down into tens and ones, which he can apply to simple additions. He is confident in performing single-digit additions and can skip count by twos up to 30 without the need for objects. However, when counting up to 100, he still relies on using objects. It's important to note that he responds or concentrates better when addressed by his name.

Skill work

He eagerly engages in all art class activities, wearing a cute smile on his face. He enjoys paper folding and typically makes boats. He draws well and colours his drawings with patience, using his favourite colour, blue. He colours the pictures lightly.

Celebrations

Mohan is enthusiastic about participating in celebrations, particularly in drama. During practice sessions, he performs very well. On stage, his voice is loud and clear. He has taken part in several notable performances, including singing a song about body parts with his group on July 5th, performing a dance to "Sri Aurobindo Name Anando" on August 15th, making Rakhi with beads and thread and tying it to the Courage Group children on August 30th, performing a dance for Janmashtami to "Adharm Madhuram" on September 7th, and dancing to "O My Friend Ganesha" on September 19th for Ganesh Puja.

Games

Mohan is a shy but punctual boy who quickly grasps game instructions. His preferred games are "doctor-doctor," "help us," "fire on the mountain," and

"pick the bottle." Although he gets tired quickly when running, he still tries his best.
