

**Mohan Pukia**

**DOB-19-Sep-17**

**Attendance-176 days out of 183 days**

**Report for 2024-25(first term)**

He is capable of solving single-digit and two-digit additions but takes more time with two-digit additions.

### **Introduction**

Mohan is seven years old and loves to solve puzzles at school. He is regular and wears clean clothes.

### **Math**

Mohan counts from one to one thousand and can count backward from two hundred to one. He confidently identifies before and after numbers and understands between numbers.

Mohan enjoys playing with Tangrams and is focused while doing so, creating various designs and patterns with Rongometry and Jodo cubes.

In class, Mohan concentrates on using the abacus, successfully answering addition problems and creating numbers.

### English

Mohan loves to ask questions of the teachers in English. He is a seven-year-old boy who loves to sing songs and listen to stories. He is quick at catching lyrics and remembering them. During story time, he is focused and has good listening skills. He tries his best to retell stories in English. Mohan always remembers that the opposite of sweet is sour. Whenever he is asked questions, he is ready to answer and knows opposite words.

### Arts

Mohan's favourite activity is solving puzzles, and he enjoys doing them with friends. His colouring skills are good,

and his drawings are neat and clean. Mohan creates many items with clay dough, including trees, houses, birds, and fish.

- **Clothes Topic:**  
Mohan can name all the clothes in class without assistance and enjoys drawing and colouring various clothing items.
- **Season Topic:**  
He has learnt about the rainy, summer, winter, and spring seasons and can draw related pictures after listening to stories about them, showing a keen interest in the topic.

## Dance/Drama

Mohan enjoys drawing and crafts. He is currently focused on classical dance, particularly Kathak. When encouraged to concentrate, he shows interest in learning. He was excited to perform classical dance for Independence Day and enjoyed the song "Bharat Anokha Raag Hai." He also likes to sing Hindi songs. During

## Project

- **Colour Topic:**  
Mohan speaks politely and has a soft voice. He focuses well in class and listens attentively to his teachers.
- **House Topic:**  
He knows that his house is a pucca house and enjoys visiting villages to see kaccha houses. Mohan can list the people who help build houses, such as architects, masons, labourers, electricians, and plumbers.
- **Animal Topic:**  
Mohan drew a neat picture of a baby giraffe and its mother without any help and can imitate animal sounds.
- **Bird Topic:**

Janmashtami, he portrayed Sudama and performed well. He is keen on listening to stories and enjoys using 5-7 colours in his drawings.

### Game

Mohan loves to play the ice and water game on the field.
