

Gautam Krisani

DOB-28-Apr-18

Report for 2022-23

(First Term)

## Circle time

Gautam sits properly during prayer time. He feels shy to sing a song without others joining in. He knows many chants but he pronounces some words wrongly as he is unclear. His favourite song is “Twinkle Twinkle Little Star, Krishna mera superstar”. Whenever a question is asked he feels nervous and becomes conscious.

## Mathematics

He likes counting from one to ten and does it clearly. He can do forward counting but faces difficulty in backward counting. He is able to identify some colours and whenever he's confused, he just guesses them. He learnt counting quite fast and can now do it expertly.

## Language

His pronunciations are not so good but still he tries to pronounce difficult words. He understands Hindi stories but has problems with English stories which are read out to them. He knows a few words in English. He tries to speak in Hindi and has also learnt some basic words for eating, going, and drinking and some others as well.

## Activities

During the activity period he likes to play with paint colours.

While

making origami he tries his best to make whatever is being taught to them but needs the support of didi. He enjoys playing all sorts of games. He likes arranging beads on the drawings drawn by didi.

## *Health and hygiene*

Gautam is aware of cleanliness and hygiene. He washes his plate and hands before going to eat. He tries to eat all the vegetables and rinses his mouth and washes his plate after eating.
