Introduction

    - I have been involved in hostel cleaning, toilet cleaning, gardening, and currently, I am assigned to school cleaning.
    - Sometimes, I assist the children in sweeping the floors and common areas.

Celebrations

1. Raksha Bandhan:
    - I enjoyed celebrating Raksha Bandhan with my friends.

- I particularly liked the puppet show performed by younger children.

- I had the opportunity to tie rakhis to the younger kids.

2. Janmashtami:
   - During Janmashtami, I watched various dances and Krishna-related plays.
   - I assisted the children with their costumes and dressing up for the event.
3. Ganesh Puja:
   - I and my friends offered pushpanjali (floral offerings) to the Ganesh statue.
   - I helped the Unity Group children practice for their performance.
   - I also assisted the children in getting ready for the program.

Yoga

I have resumed my yoga practise after a hiatus. I attend yoga classes every day and enjoy performing various asanas, with a particular fondness for Surya Namaskar.

Games

I engage in playing basketball and occasionally play with the Perseverance Group girls on Thursdays. I typically skip games on Sundays. On all other days, I participate in the second period of games with my friends and some teachers. I prefer playing with a smaller group, as it allows for more running, passing, and scoring opportunities.
