

# Sanju Bisoi

DOB-26-May-18

Report for 2022-23  
(First Term)

## Circle time

Sanju loves singing songs. She sings clearly. She is very fast at learning new songs. If she is unable to memorise the lyrics of any song, she asks didi after school and tries to remember them.

**Mathematics** She is very eager in counting and learns everything very fast. She is clear in forward and backward counting. She is able to identify the colours. She is very keen in doing mathematical activities. She likes collecting materials from nature and then counting them with the others.

## Language

Her pronunciation is good and she is clear while pronouncing the words. She loves listening to English as well as Hindi stories and can say some basic words in English.

## Activities

Sanju feels very happy when she can draw flowers, house, tree etc. She likes to draw flowers and fills them with beautiful colours. She is interested in all the activities done in the class.

**Health and hygiene**- She has knowledge about health and

hygiene. She stays neat and clean. She washes her hands and plate before eating and washes the plate and rinses her mouth after eating.
