## Circle time

Sansiddha is a good boy but his attention span is very limited. He chants all the mantras. Whenever a song is being sung he is one of the first to do actions with it. Whatever song is told to him to sing solo, he is able to sing it without feeling nervous or shy. Whenever questions are asked to him he always answers them.

## *Mathematics*

He identifies all the colours clearly. He is clear in forward and backward counting. He is very fast in learning whatever new things are taught to them. He likes making different shapes with rangometry.

## Language

His pronunciation is very good and he can pronounce many words of English. He tries to understand and speak in English. He loves listening to Hindi stories as well as English ones.

## Activities

His favourite activity during the activities time is to make origami, i.e of birds, boat, and flowers. He loves dancing and drawing. He likes to play guessing game by closing his eyes. He understands the instructions given to them.

## *Health and hygiene*

He is a very tidy boy. Before eating he washes his plate and hands. He eats without making noise and makes sure that no food drops on the floor while he eats. After using the toilet he cleans his hands and also ensures that the toilet is clean.
