

# Rina Badanayak

**DOB-27-Sep-15**

**Report for 2022-23 (first term)**

## *English*

At story time, she listens to the stories attentively, although she understands the language very little.

She makes an effort to understand the stories. She has difficulty in pronouncing some of the words. She likes to sing songs and takes keen interest in learning new ones. The songs which she knows properly, she enjoys singing. To learn the poems, she takes some time. On 5<sup>th</sup> July (School's birthday), her group had performed a play and she had played the role of a narrator and she did well. Rina is very interested in dancing. When she hears that there would be dance class, her face brightens. She dances very well.

## *Mathematics*

Rina has learnt forward counting properly. She needs to improve in backward counting. She gets distracted easily during the class. Most of the time during the class, she is in a dancing mood. She loves to dance, that's why she starts dancing wherever she wants to. She was very happy

playing with the rangometry kit. Here she was able to classify the figures in accordance to shapes and colours. She could make different patterns with the different shapes with her friends. She also made different thing out of jodo cubes with her friends. After joining the jodo cubes together, she and her friends counted them. She also played with the objects of 'aakar parivar'. She could arrange the shapes in ascending and descending order. When she is asked to count, she tries her best to count till as much number as she

can. She can recognize some of the digits from one to ten.

## *Projects*

### *Colours topic*

Colours topic was her first topic. She shows interest in all the activities she is taught. She does her work very quickly. She knows the names of all the colours and helps her friends to learn. She can tell the colours' name at once when asked. She was taken to the garden with her group to recognise and see different colours. She listens to the stories very carefully. She is able to answer all the questions raised. She gives her full attention and concentration in the work while doing. She catches up things very fast; when she was taught the colour song, she learnt it quickly. She had beautifully decorated the chart paper by pasting drawings on it. She also decorated her group board by making beautiful drawings.

### *Family topic*

In the family topic she did a few things. She drew the pictures of her family in the drawing sheet. She was happy making the pictures. After making the drawings, she was able to tell who all were there in the drawing. She shared with everyone in the group what her parents do at home.

## *Arts*

She is a cute and polite girl. She is very friendly with everyone. She is an obedient child. She catches up everything very quickly. She is concentrated all the time while doing her work and when she is unable to understand something, she asks again and again till she understands properly. She also listens to the

instructions very carefully. She is very good at drawing, but she dirties her paper most of the time, especially while colouring. She needs to learn not to dirty the paper and colour neatly and beautifully. In cutting and pasting, she still needs to learn. When she made ladybird, snail, double boat, house, nuts and leaves with paper, she was very interested and excited and made them beautifully. She took some time in making these things as she tried to bring perfection in them.

### *Games*

Rina is an energetic girl. She plays all the games very nicely and energetically.

Her running speed is very good but she has to bring more flexibility and balance in her body. She is quite naughty at times. She fights with the boys during the games. She needs to learn to cooperate with other children, especially her teammates while playing a game.
