INTRODUCTION

My name is Jagriti Jani. I like to read books when I am free. I have finished my tenth and now I am preparing myself for 11th class.

SUBJECTS

In tenth class I had taken Science, Mathematics, Social Science, English and Hindi as my subjects. I had gone to Koraput to give my tenth exam. I was a bit nervous at the beginning but after that it was fine. My results have also come and my average marks are 82%. But I think I should have done much better. My marks for each subject were-

Science- 90%

Maths- 88%

Social Science- 72%

English- 74%

Hindi- 88%

YOGA

I had stopped going for yoga for many days because I had to prepare for my tenth-class exam. Now I have started going for yoga again. Our yoga class is from 6:00 am till 6:30 am. I always reach on time. I also make the Perseverance group do yoga. I like to do yoga very much.

SHRAMDAN

After yoga we have our shramdan. At Shramdan time we have different activities like Kitchen, toilet cleaning, hostel cleaning, gardening, school cleaning and girls' hostel cleaning. I like to do school cleaning very much. We have shramdan for one hour. I always go on time for shramdan.

GAMES

We have our games from 4:00pm to 5:00pm. We play games like football, basketball and volleyball. I like to play basketball the most. Before starting our games, we do prayer, then running and some

exercises so that we don't get hurt while playing. I always come on time for games and do my exercises and running properly. I like to play games very much, so I never miss my games.

SPORTS DAY

We had our Annual Sports Day on 13th January. There were corners like pyramids, martial arts, saree drill, skating, unicycle and circus. I selected pyramids because there were less children in pyramids. I did pyramids for the first time for sports day so I was not confident at first, but slowly I became confident and could do properly. On the final day we all performed well. I also participated in a welcome dance at the beginning of the programme. It was a semi classical dance. I liked the Sports Day very much. At the end we also got mementos.

CELEBRATIONS

I couldn't celebrate many festivals due to my exams but after my exams finished, I celebrated Christmas. On Christmas I did a dance 'Aishu paida hua' with my classmates. I also did a dance on Jingle Bells Rock song. On 31st December I did a dance with my friends on 'angaron'.

TRIP

We started our trip to Bihar on 25th of January. On 26th January we reached Bhubaneshwar where we went to the Science City. After that we had our lunch, then we went to Ali for night halt. When we reached Ali, we went to Varah Mandir. The next morning, we went to Bhitarkanika to see crocodiles. I liked Bhitarkanika because I saw many crocodiles. Then we started our journey to Baleshwar, where we had a night halt at a school. On reaching the school we went to the relics. In Baleshwar we went to Panchligeshwar temple, Khirchoro Gopinath temple, Sita kund waterfall and Chandipur beach. I

liked Chandipur beach the most. Then we went to Mayurbhanj. At Mayurbhanj we went to Simlipal for tiger safari, but it was not so enjoyable as we didn't see any tiger. We also visited some Sri Aurobindo schools and also a Jagannath mandir. Then we finally

arrived at Bihar. While going to Bihar we visited Vishnupad temple dedicated to Lord Vishnu.

We then visited some temples of Japan, Vietnam, Nepal, Thailand and Bhutan. I liked the Bhutanese temple the most because the designs of the temple were colourful and

beautiful. After that we went to a monastery. We then went to the Nalanda University where we learnt about the history of that university. The next day we went for a nature safari. There we went on the glass bridge, suspension bridge, zipline and sky cycling. I liked the glass bridge the most. Then we went to the Kakolat waterfall where we took a bath. The water was very cold, but it was fun. The next day we went to Pandu Pokhar to do fun activities.
