

# Harshit Gouda

DOB-11-May-19

Attendance -159 days out of 182 days

Reports for 2024-25 (Second term)

## INTRODUCTION:

Harshit is a cheerful and friendly 5-year-old boy who enjoys coming to school. He loves playing with his friends. He has a positive attitude towards everyone. During mealtime he tries to eat quickly so he can join his friends in the sandpit to have more fun.

## MATHS:

In maths Harshit can count up to 100 without any difficulty. Sometimes he gets confused in backward counting. He enjoys doing addition and subtraction with objects like stones, beads, sticks, etc. He can do skip counting of 2, 3, 4 and 5 with *ganit mala* and has learnt to count with bundles like  $10 + 1$  makes 11 and can use this concept for addition. He can do simple addition and subtraction with one-digit numbers. He can compare two-digit numbers and understand which is bigger or smaller. He identifies the numbers when asked and he is also helpful towards other children. He always tries to concentrate in the class.

## ENGLISH:

Harshit enjoys listening to stories in English class. Most of the time he repeats after the teachers and tries to pronounce the words clearly. He has started learning new words, including his name. He has learnt the names of the months and the days of the week. He has learnt some opposite word like in-out, big-small, more-less, beautiful-ugly and many other words. He has learnt the names of the baby animals and their sounds and the names of their houses. During English class Harshit has

memorized many English songs like one proud peacock, trees, mangoes, sa sing the sunflower and he enjoys learning new songs.

#### HINDI:

Harshit enjoys learning Hindi songs and to do action with the song. He has learnt the animals' songs. Harshit likes to listen to stories and after listening he likes to make drawings of that story. He has learnt the names of India's National Symbols. Sometimes he watches Hindi movies.

#### ACTIVITIES:

During the activities Harshit is active. He does all the activities which are done in the group and also tries to do his work neatly and cleanly. These

activities are puzzles, watching movies, colouring, drawing, paper folding and more. In puzzles he can solve 30 pieces of puzzle. He tries to complete his puzzle quickly and help others. Harshit watches movies on Mondays. He tries to understand the movie. He likes to do Colouring and drawings. Paper folding is one of his favourite activities. He folds the paper properly and he enjoys creating different things with paper like house, fish, butterfly, trees, flowers, and

many other origami things.

#### GAMES:

Harshit comes to the school early. He gets ready for the games quickly. He likes to go for walking. He does running when he is told. He also does the exercise. The exercise which he is not able to do he tries his best to do. He takes help and try to do the asana and the exercises. He has also improved bit this time.

### CELEBRATIONS:

Harshit has participated in various programs over the past few months, On 29<sup>th</sup> November he had performed the Sanskrit song *Ek Ha Srigal* with actions. He enjoyed signing the song and was able to do the actions properly. On 25<sup>th</sup> December Harshit sang a song *away in a manger* and performed it well. He also liked the costume. On 21<sup>st</sup> February he had performed the song *on to duty* with action. On Republic Day Harshit watched the parade on TV and on Basant Panchami Harshit had done a chanting *jay-jay devi*. He was interested in the performances and the celebrations. He enjoyed all the programmes.
