

Radhika Krisani

DOB-18-May-2010

Attendance-177 days out of 182 days

Report for 2024-25 (Second term)

ENGLISH

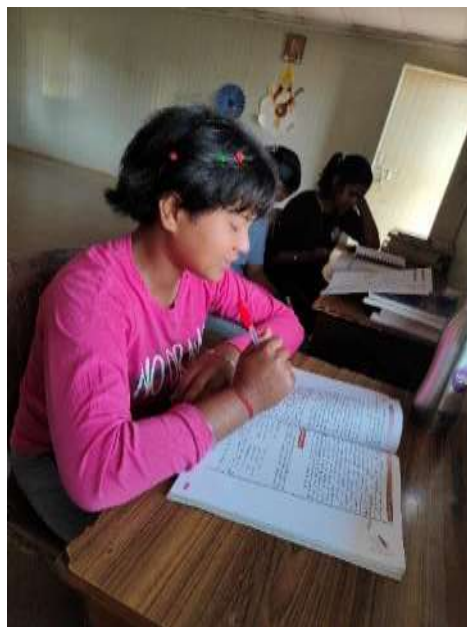

In English, I have completed the course and am preparing for my board exam in October. I am confident in all the chapters, but I have a bit of confusion in grammar. After completing my course book, I went through it twice with Dipika Didi, so I feel confident in all the chapters.

HINDI

In Hindi, I have completed all the chapters properly and am now preparing for my board exam, which I will be taking in

October'25. I am confident in all the chapters, but I need to practise Hindi grammar as I am not very confident in it. I enjoy studying Hindi.

SCIENCE AND TECHNOLOGY

In Science and Technology, I have completed the course book and am preparing for my exams. I have

a bit of confusion in some Physics chapters. I have solved all the previous years' papers, which were easy, and I enjoyed solving them.

MATHS

In Maths, I have completed the first book and started the second book. My second book is almost finished, with only two chapters left. I am enjoying the NIOS book, though I have more difficulty with Algebra. After finishing the book, I will take a test and then start revising for my board exam.

SPORTS

In sports, I like playing all games and doing daily exercises. My favourite sport is basketball. During our games sessions, we participate in running and exercises. I play football, basketball, and volleyball. I focus on drills and practices, and I particularly enjoy playing forward and scoring baskets in basketball. Additionally, I have developed an interest in football and like being a goalkeeper. In volleyball, I enjoy being a net keeper and am improving my serving and hitting skills.

CELEBRATIONS

I have

celebrated many festivals, such as Christmas, the Mother's Birthday, and Sports Day. During Christmas, I danced with my friends. On the Mother's Birthday, I sang *Aadya Shakti Maa Mira*, which I enjoyed learning. I loved celebrating Sports Day, where I performed a pyramid. It was a bit difficult to learn, but I enjoyed it.

TRIP

I started my trip on 29th October and reached Bhubaneswar on 30th October around 1 o'clock. My first visit was to the Kedargouri Temple and Lingaraj Temple, where I had *darshan* of Lord Shiva. It was wonderful, and the architecture was amazing. After visiting Khandagiri, I went to Puri, Chilika Lake, the Science Museum, and Konark. All the temples were nice to visit. In Chilika Lake, I enjoyed the ferry boat ride, but I liked Puri the most as I had *darshan* of Lord Jagannath.

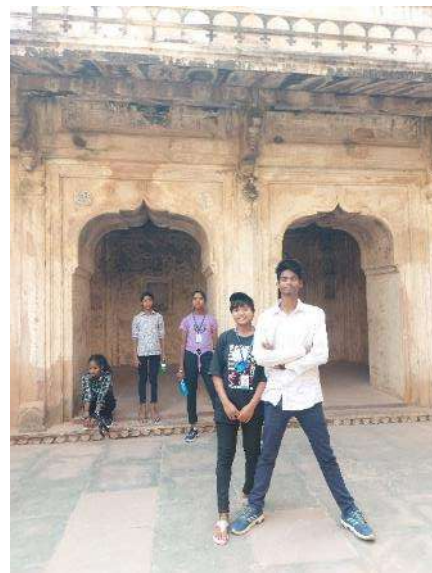

On the evening of 6th November, I reached Gaya. The next day, I visited Bodh Gaya, where I saw the Bodhi Tree under which Buddha meditated. I also visited several monasteries. The 8-metre tall Buddha statue was very beautiful. I then visited Vishnupad Temple and Brahma Kund,

where I took a bath in the warm water, as it is believed that the *Sapta Rishis* meditated there, which keeps the water warm.

After that, I visited Nalanda University and saw the rooms of the students and teachers. I also went to Jalmandir and Venuvan, where I enjoyed seeing different types of bamboo and playing in the park. On 8th November, I started my day by taking a bath in Brahma Kund. I also

visited a museum about ocean animals and did a Jeep safari at the Herbivore Deer Park, where I saw different types of deer, including spotted deer, sambar deer, and hog deer. Then, I went on a bear safari, leopard safari, tiger safari, and lion safari, where I saw lions and lionesses. After that, I

visited the Evolution Museum and went on a ropeway ride, which offered beautiful views of the mountains and trees.

Later, I visited Sanchi Stupa, which had beautiful structures and a statue of Buddha. I also went to Jarasan Akhada. On 10th November, I visited Sarnath, where I enjoyed seeing the

structures and a museum with various Buddha statues. I also saw a stupa built by Ashoka and visited a Jain temple. After that, I visited Namoh Ghat and enjoyed the view of the Ganga River.

On 11th November, I visited Kalbhairav Temple, where I saw a

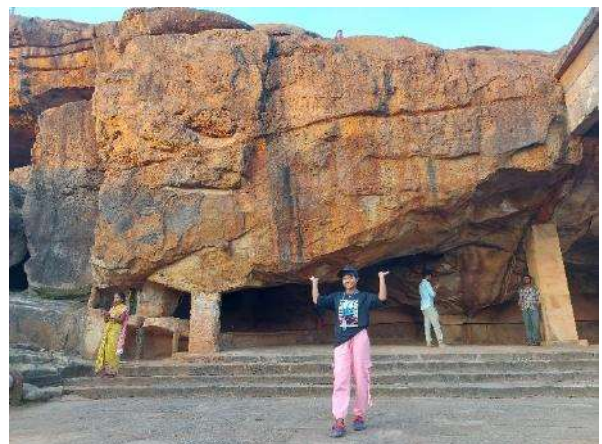

statue of Lord Shiva. I also visited Kashi Vishwanath Temple and saw a *Shivling*. Later, I went to a museum with paintings from the 18th century and statues of different gods. In the evening, I attended the Ganga Aarti near the river, which was wonderful.

On 12th November, I travelled to Ayodhya

and visited the Ram Mandir. The architecture of the temple was very beautiful, and I enjoyed eating *prasad*. The next day, I travelled to Lucknow and visited the *Imambara*. I enjoyed it very much because the layout was confusing and

fun to explore. I also saw paintings of the Nawabs and visited a temple with many Gods and Goddesses.

On 15th November, I visited Eco Park, where I saw

various animals and plants. I also visited Raja Mahal and Orchha Fort, and in the evening, I enjoyed a light and sound show at Jhansi Fort, where I learnt about the story of Rani Lakshmi Bai.

On 17th November, I visited the Jhansi Museum to learn about the life of Rani Lakshmi Bai. I also went to the Dhyan Chand Planetarium and enjoyed the show. In the evening, I visited *Amar Ujala*, where I saw how

newspapers are made. I liked Jhansi the most.
