

# Dipti Jani

Date of birth- 03<sup>rd</sup> Oct - 20

Annual report for 2023 - 24 (Second term)

## Introduction:

Dipti is a delightful girl who eagerly anticipates attending school. Despite her initial nervousness on her first day, she quickly grew fond of the school environment, particularly the toys and blocks. She is now a regular and punctual attendee, always ensuring she arrives at school neatly and cleanly.

## Circle Time:

During circle time, Dipti sometimes sits quietly and attentively, while at other times, she may fidget a bit. She enjoys singing and performing actions, having learned a few chants such as "Asotama Sat Gamaya" and "Om Anandamayee." She attempts to recite the chants clearly and enthusiastically. Additionally, she has learned several songs, including "Choti Si Munni," "Hathi Aaya Jhumke," "Machli Jal Ki Rani," "Dhobi Aaya," "Nache Re Mor," "Nach Meri Mor," and "Uper Pankha Chalta Hai Niche Baby Sota Hai."

### Activities:

During activities, Dipti loves playing with blocks and engaging in imaginative play, pretending to be various animals like dogs, cats, elephants, flowers, and trees. She enjoys playing games such as "train" and takes pleasure in colouring and scribbling on paper, making an effort to keep her work neat and clean. Finger painting is another activity she particularly enjoys.

### English:

In English class, Dipti sits attentively, listening to the teacher and enjoying Storytime. She likes looking at pictures and tries to learn new words like "sun," "flower," "elephant," "leaf," and "tree."

### Maths:

During maths class, Dipti is learning to count from one to ten. She tries to count with the teacher's guidance and enjoys playing with objects, creating designs, and counting them.

### Programs:

While performing a song on the Mother's Birthday, Dipti experienced nervousness on stage but still participated. She enjoys attending programs and delights in watching dances performed by her peers.
