Report for 2023-24 (First Term)

INTRODUCTION

Jyotsana is a cheerful and always-smiling girl, known for her ability to quickly memorize information. She is neat and clean and has a strong preference for the color red.

CHANTING AND SINGING

During circle time, Jyotsana is focused and attentive while chanting and singing.

Although she's somewhat shy about singing alone, she's confident and concentrates

well while singing and learning. She has learned songs about veggies, flowers, and trees, and is currently learning songs about fruits.

MATHEMATICS

Jyotsana is learning to count up to 30 and can easily count up to 10. She also knows concepts like big, small, tall, and fat. She enjoys collecting stones, flowers, and other objects for counting and plays games with great concentration.

PROJECTS

Jyotsana's project began with vegetables, where she learned the names of different

veggies and tasted them. She also created drawings of the veggies. Currently, she's focused on fruits, learning their names, tasting them, and engaging in clay modelling to create models of fruits. She's also actively making fruit puppets as part of her project.

CELEBRATIONS AND FESTIVALS

Jyotsana actively participates in school programs, demonstrating her confidence in singing and performing. She has taken part in the drama "Chi Chi Chidia" on 5th July, danced, sang, and participated with her group mates on Ganesh Chaturthi, and sang on 15th August.
