

# SAKSHI PUKLA

**2021-22**

**DOB- 19<sup>th</sup> March '13**

## Mathematics:

Sakshi takes interest in Mathematics. She is quite focused in all the class activities. Nowadays she has started to really concentrate in class and answers correctly when asked a question. She took a lot of time to do 2 digit addition sums mentally. She has learnt number writing till 1000, expanded forms, 3 digit carryover additions sums, story sums and subtraction from 2 digits of 1 digit. She is able to arrange numbers in ascending and descending order.

## Projects:

She is always quiet during the class. She does not take initiative and only answers when she is asked. She has learnt how to draw the pictures of vegetables. She helped her friends to make a chart on vegetables. She took time to learn the dialogues for the presentation on vegetables and was a little nervous during the presentation. Her favourite vegetable is pumpkin. She has also learnt the names of different animals and made a chart on animals with her friends. She learnt to make clay animals and coloured them beautifully.

### English:

During the class, she sits quietly and carefully listens to the stories being told. She responds when didi asks her questions. She tries to speak in English. Sakshi learnt English songs easily and happily sings them. She faces difficulty in creating stories from her imagination and needs guidance. On November 29, her group did a play called, “The Elephant’s Crown”. She had played the role of a snake. On the Mother’s Birthday, her group had performed the play, “Rainbow”. She did the role of rain.

### Hindi:

Although Sakshi keeps quiet in the class, but she is a good student. When didi asks her to give answers, she is able to do so. She can tell stories in front of all the children and is also able to create stories from her imagination. Sakshi is a helpful child and tries to help her friends. She has learnt the vowels of the Hindi alphabets and can easily recognise them. She can make sentences

from the words given by didi. She loves to listen to the stories being told in class.

### Art and Craft:

She does her work quietly and her drawing and colouring is very good. She is a good girl who behaves properly in the class. She completes her work on time and readily shows it.

## Games:

She comes to the playground on time and participates in all the fun games, basic yogasanas, running, climbing mountains, trekking etc. Her favourite game is ice-water.

## Music:

She likes to sing but she takes time in learning the songs. She has a soft voice and she finds some words difficult to pronounce.
